

Hi! Thank you for visiting [thehomeschooldaily.com](http://thehomeschooldaily.com) ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to [thehomeschooldaily.com](http://thehomeschooldaily.com) or giving proper attribution to [thehomeschooldaily.com](http://thehomeschooldaily.com) .

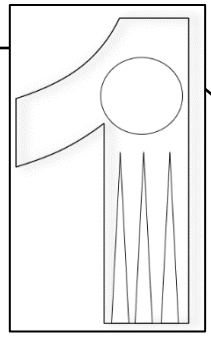

May you be blessed on your homeschooling journey. Happy learning!

## **Days of Creation Draw & Write Sheet**

This set of Draw & Write Sheets focus on God's Creation. For those of you interested in adding writing, these Draw & Write sheets are effective for early learners. Each Draw & Write Sheet asks the student to write about a particular day of Creation. There are 2 levels of Draw & Write Sheets allowing for more-or-less writing space. Happy homeschooling!
