## 6<sup>th</sup> Day of Creation Activity Sheet

When teaching about the 6<sup>th</sup> day of creation, I print page 2 or I give each child a sheet of construction paper that has, "On the 6<sup>th</sup> day..." I start by giving them the written words, "God created animals. God created creeping things. God created man and woman." While they are gluing it on, I read it to them. Next, I pass out the animal clipart for them to glue to their papers. Then comes the creeping things. Finally, Adam and Eve are added to their papers. During this time, I talk to them about their favorite animals. What are some other creeping things God created? I bring out the crayons for those who are still interested.

You can choose from the clipart provided. If you are only teaching yours, you may opt for the colored images. For a larger group, you may want to use the black and white images. See Happy learning!
