Day 4 of Creation Cut & Paste Activity Sheet

Day 4 of Creation Cut & Paste Activity Sheet is perfect for early learners. Start by reminding your child that God separated light from darkness on the 1st day and made day and night. In that, your child may want to color the day side yellow and the night side gray or black. After coloring, students will cut out the great lights that God created on the 4th day. Next, students can paste the sun, moon, and stars to the correct side... day or night. Be blessed!

DAY

NIGHT

And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. *Genesis 1:16*
