

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey. Happy learning!

♥ Marie

1-10 Number Recognition Cut & Paste Activity Sheet

This 1-10 Number Recognition Cut & Paste Activity Sheet is an effective tool to use for older preschoolers and kindergarten students. Your student can practice their fine motor skills while cutting out the numbers. The student will then match the numbers to the number words by gluing them in the box. Happy learning!

Number Counting

one	two	three	four	five
six	seven	eight	nine	ten

1	2	3	4
5	6	7	8
9	10
