

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey.

Coin Counting Money Cards

I love for the kids to be able to reuse these. I print these on cardstock for durability and laminate them. You can choose to cut them into cards or not. The kids can then use dry erase markers to write their answers. Just make sure to erase the marker and not let it sit there forever 😊 These money counting cards only go up to \$.50.
