

Hi! Thank you for visiting [thehomeschooldaily.com](http://thehomeschooldaily.com) ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to [thehomeschooldaily.com](http://thehomeschooldaily.com) or giving proper attribution to [thehomeschooldaily.com](http://thehomeschooldaily.com) .

May you be blessed on your homeschooling journey.

## Compound Words Cut & Paste Activity Sheet

Compounds words can be made when two smaller words are put together to form a larger word. Example: foot + ball = football. This worksheet provides the student with pictures to guide them into creating compound words. The student will cut out the words on the 2<sup>nd</sup> page to paste in the blanks on the first page. They can glue the words where they belong to make new words-compound words. Happy learning!

foot

water

police

air

sun

tool

straw

wheel

pine

Cut out the words below and paste them in the blanks above to make a new word. A compound word is when two words are put together and they make a new word. Have fun learning!

ball

melon

man

plane

glasses

box

berry

barrel
