## Bath Time Cut & Paste Activity Sheet

This Bath Time Cut & Paste Activity Sheet was created to promote cleanliness. I would encourage you to print off a picture of your child's upper body to place in the bathtub using the bubbles to cover up any clothes in the picture. My kids loved creating this bubble bath scene when they saw their own picture in the bathtub. It always gave us both a smile to see their picture placed in the bathtub. Cut out all the small pieces and sentence on the first page. Have your child glue them into place around the bathtub. We used this time to talk about the importance of washing our bodies and I was able to work in how Jesus washes us of our sin... the dirt from our hearts. Wishing you happy learning!

**I can take a bath.**
