

Hi! Thank you for visiting thehomeschooldaily.com ! I am so glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com

May you be blessed on your homeschooling journey.

♥ Marie

Water Cycle Fill in the Blank Wkst

This fill in the blank worksheet focuses on the Water Cycle and the processes within it. There are only 8 questions. I advise using “The Water Cycle” slideshow featured on my website to help your student answer the questions. Your student will use the word bank at the bottom of the worksheet to assist them. Happy learning!

The Water Cycle

Use "The Water Cycle" Slideshow and the word bank below to help you find the answers and fill in the blanks.

- 1) _____ is a form of water that comes from the sky.
- 2) _____ is the process of gas changing into a liquid.
- 3) The _____ is the on-going process by which water moves around the Earth.
- 4) Rain, snow, sleet, and _____ are all forms of precipitation.
- 5) _____ is when water collects on the ground.
- 6) Most evaporation takes place over Earth's _____ because they cover over 70% of the Earth's surface.
- 7) When liquid water turns into a gas it can also be called water _____.
- 8) _____ is the process of water changing from a liquid into a gas.
