

Hi! Thank you for visiting thehomeschooldaily.com ! I am so glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com

May you be blessed on your homeschooling journey.

Transportation More or Less Worksheet Set

This 2-page worksheet set focuses on counting and learning the terms more and less. I would encourage you to have your child count each set of vehicles. The child should write the number of the set in the box and then circle the set that has more or less. Happy learning! 😊

Count how many are in each set and write the number in the box. Circle the set of transportation that has less.
