

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey.

Samson Craft

This is a fun craft to do with a Sunday school class or with your own kids. I really appreciate crafts that require little prep on my part but allows kids the opportunity to add their own flare. The craft is intended to be used with black yarn, crayons, glue and google eyes, but you can tweak it to fit your needs. Happy learning!

For by grace you have been saved through faith, and that not of yourselves; *it is* the gift of God.
