

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey.

♥ Marie

Golden Gate Bridge Reader

This reader is a quick reader to introduce young students to one of the most famous bridges in the United States. It can be printed, cut into fours, and then stapled into a book. You could also use it as an information sheet. Happy learning!

Golden Gate Bridge

Today, more than 45 million cars travel the bridge every year.

The Golden Gate Bridge is in San Francisco, California. The bridge opened in 1937.

The Golden Gate Bridge is the 2nd largest suspension bridge in the United States. It is made of steel.
