Positional Words Activity Sheet

The positional words activity sheet is a fun way to practice language skills. The child will cut along the dotted line separating the barn from the rest of the sheet. Then the child will cut out the chickens and place them where they belong based on the instructions. You may need to help your child read the instructions. Happy learning! 😊

Positional Words Activity

Cut along the dotted line. Now, cut out the chickens and paste them where they belong.

One chicken is in the barn. Four chickens are on top of the barn.

Two chickens are in front of the barn. One chicken is to the right of the barn. One chicken is to the left of the barn.
