

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey.

a- Word Family Scrabble Activity Sheets

This is a set of 11 - word family activity sheets featuring “a” word family sets. The activity sheet is meant to be used with scrabble letters. I find it easier for my kids if the scrabble letters are arranged on a cookie sheet. My student looks through the letters and places them on the sheet. Your child may decide they would rather write the letters in the blocks or use letter stamps. It can be made into a fun activity to change things up!
