United States Flag Color Sheet

The United States Flag color sheet is great to use with younger students who need the practice of coloring one of the greatest symbols our country. It does provide some short information regarding our flag.

United States of America

Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage. Galatians 5:1

The American flag is a national symbol. It is often called the Red, White and Blue or the Stars and Stripes. The flag has 13 stripes that represent the original 13 colonies. In the top left-hand corner, the flag features a blue background with 50 stars. The stars represent the 50 states of America. Flag Day is June 14th.
