

Hi! Thank you for visiting [thehomeschooldaily.com](http://thehomeschooldaily.com) ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to [thehomeschooldaily.com](http://thehomeschooldaily.com) or giving proper attribution to [thehomeschooldaily.com](http://thehomeschooldaily.com) .

May you be blessed on your homeschooling journey.

♥ Marie

## **WHERE IN THE WORLD AM I? Book**

This activity book is a classic way to introduce, reiterate, and review some of the basics about where we are in the big wide world. The book starts with our galaxy, solar system, planet, continent, country, state, and home. Check out the Where in the World Am I? PowerPoint that accompanies the booklet. Happy learning!

# WHERE IN THE WORLD AM I?

By:

# GALAXY

**SIDE VIEW**

**TOP VIEW**

## Milky Way Galaxy

We live in the Milky Way Galaxy. A galaxy is a huge cluster of stars and their solar systems. The Milky Way Galaxy is a spiral galaxy.

# SOLAR SYSTEM

Our Solar System is one of many in the Milky Way Galaxy. The Sun is in the middle of our solar system. There are 8 planets that revolve around the Sun.

# PLANET

## Earth

We live on Earth. Earth is the 3<sup>rd</sup> planet from the Sun. Earth is often called the Blue Planet because of the vast amount of water on its surface.

# CONTINENT

## NORTH AMERICA

There are 7 continents on Earth. A continent is a large area of continuous land. We live in North America.

# COUNTRY

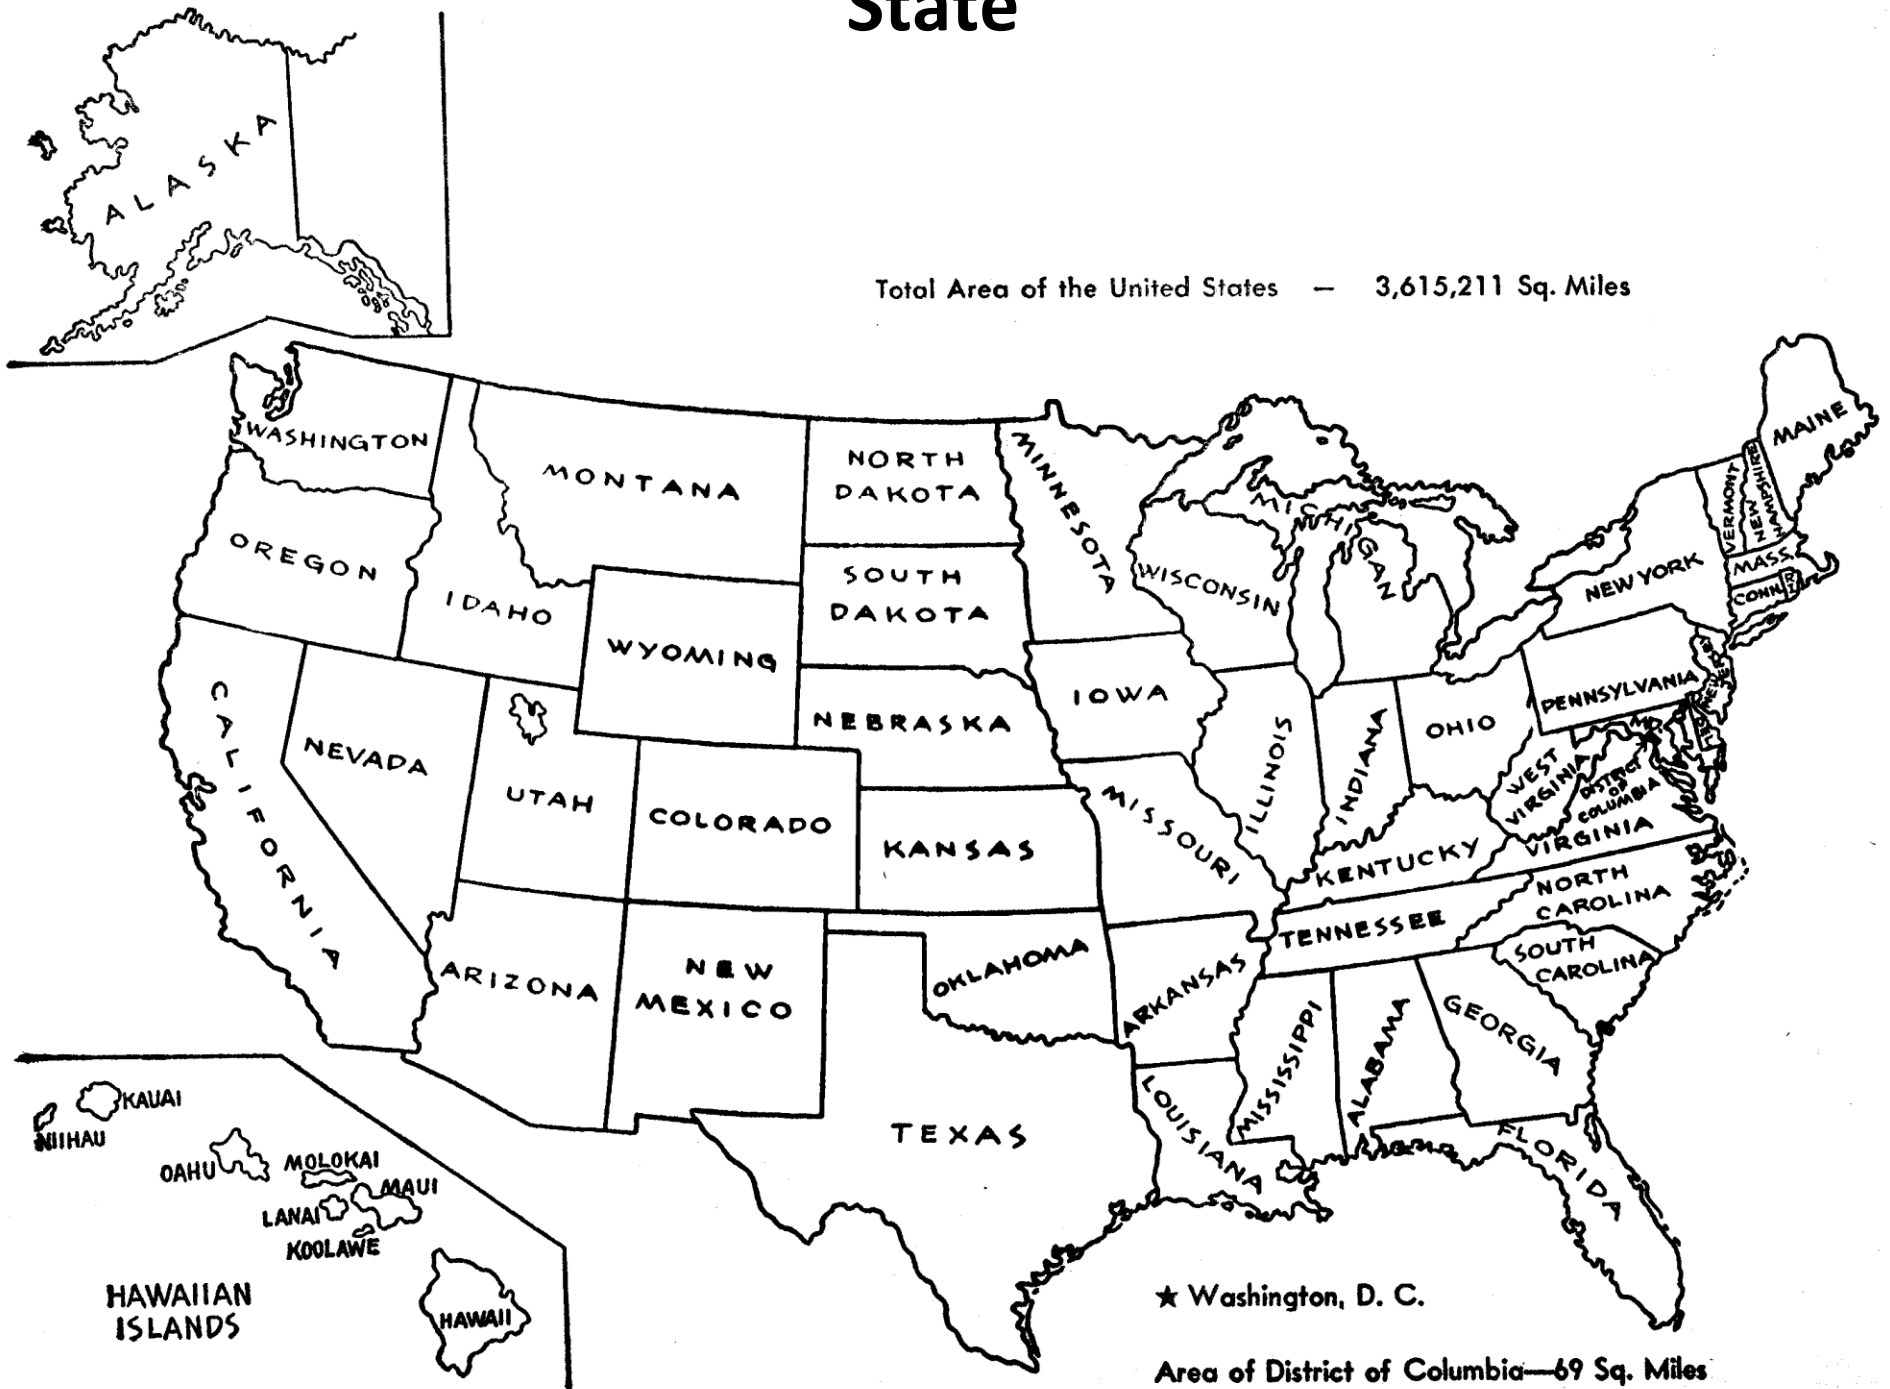

## United States of America

North America is divided into countries and dependent territories. We live in the United States of America. The United States of America became a country on July 4, 1776.

# State

Total Area of the United States — 3,615,211 Sq. Miles
