WHERE IN THE WORLD AM I?

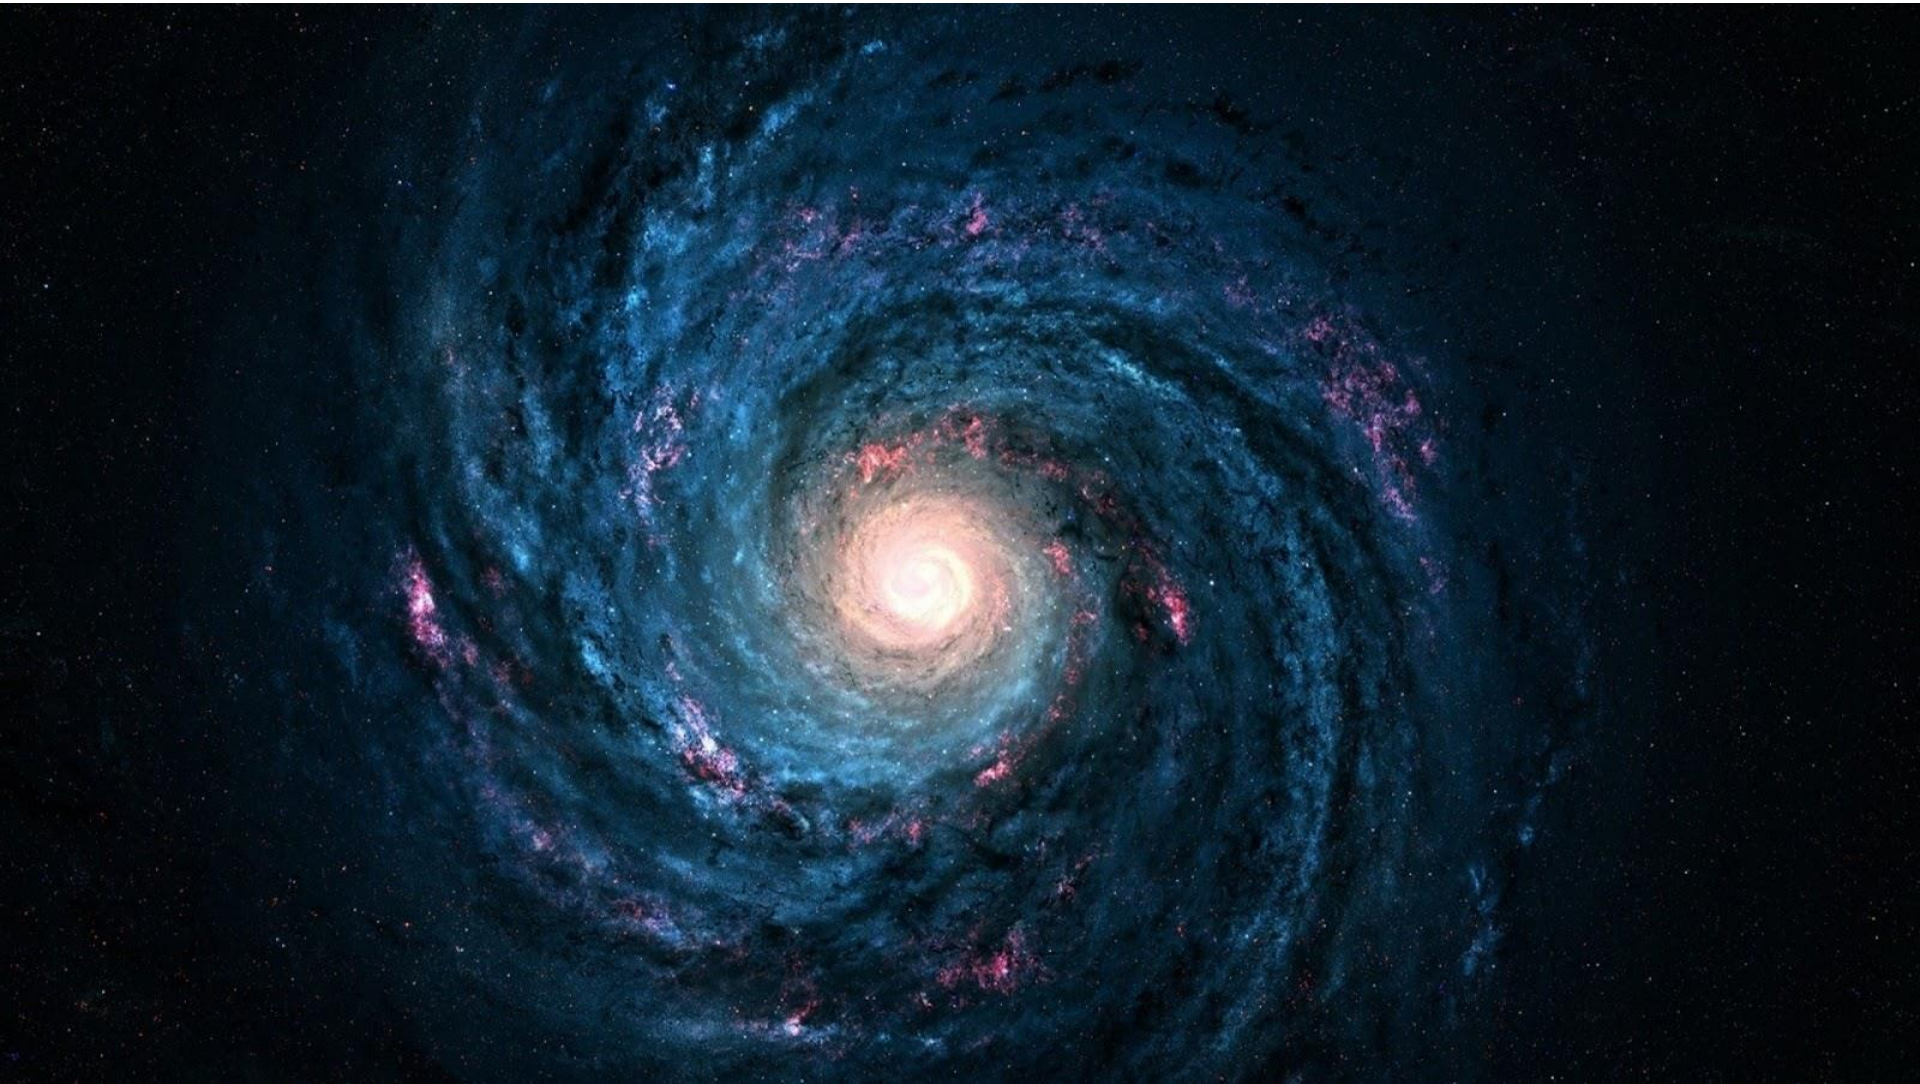

By:

Your Name

**There is a huge immense
universe beyond Earth.**

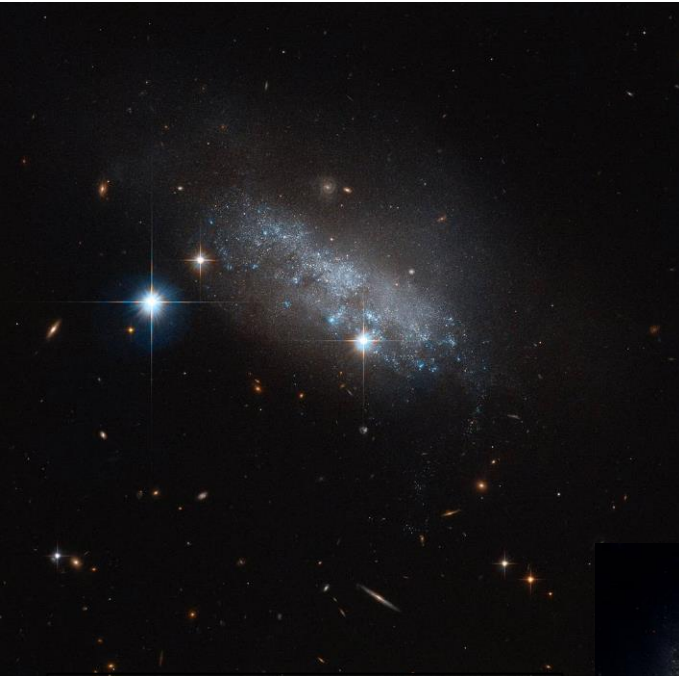

**We live in the Milky Way
Galaxy.**

The Milky Way is a cluster of stars, called a galaxy.

There are 3 types of galaxies.

Irregular Galaxy:
No visible
pattern, smallest
of the galaxies

Spiral Galaxy:
Pinwheel shape
with a bright
spot in the
center

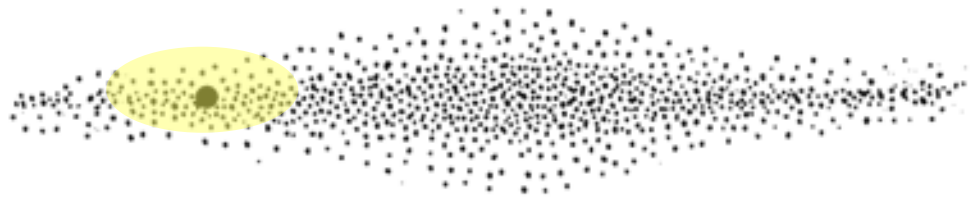

Elliptical Galaxy:
Football
shaped, largest
of the galaxies

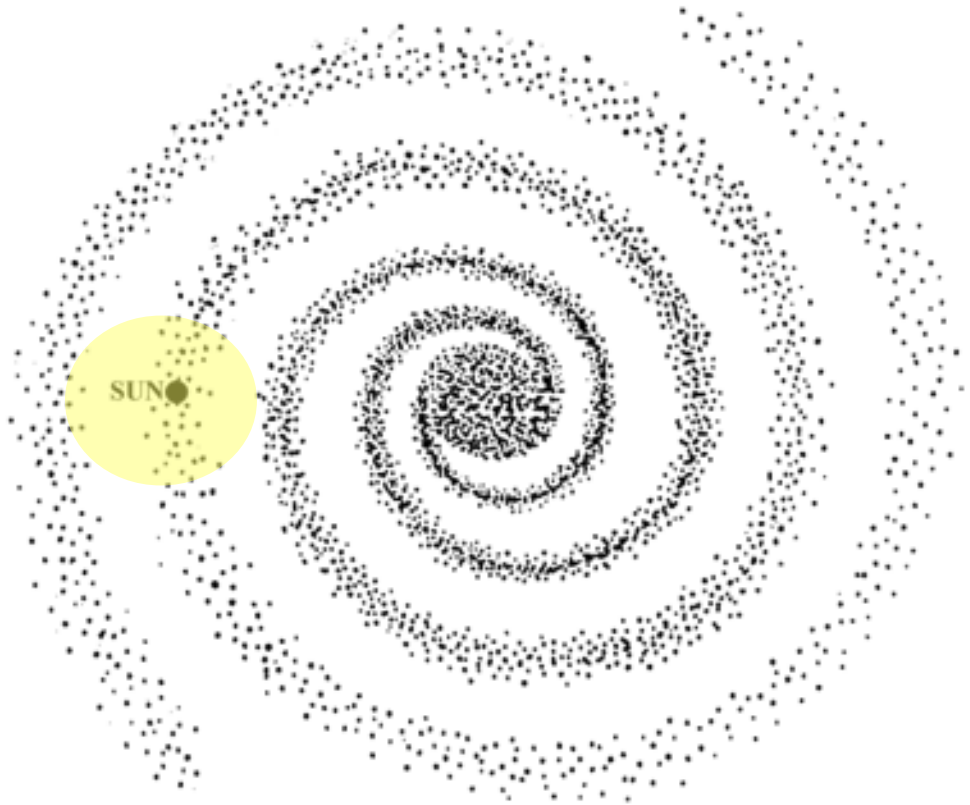

The Milky Way Galaxy is a spiral galaxy.

GALAXY

Find this page in your booklet, color around the Sun. This is our approximate location.

Milky Way Galaxy

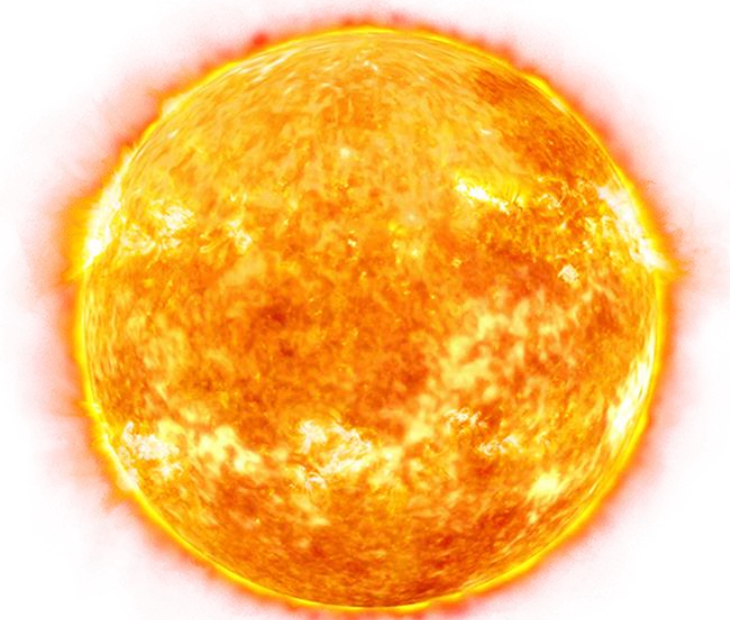

We live in the Milky Way Galaxy. A galaxy is a huge cluster of stars and their solar systems. The Milky Way Galaxy is a spiral galaxy.

Our solar system is only one of many in the Milky Way Galaxy.

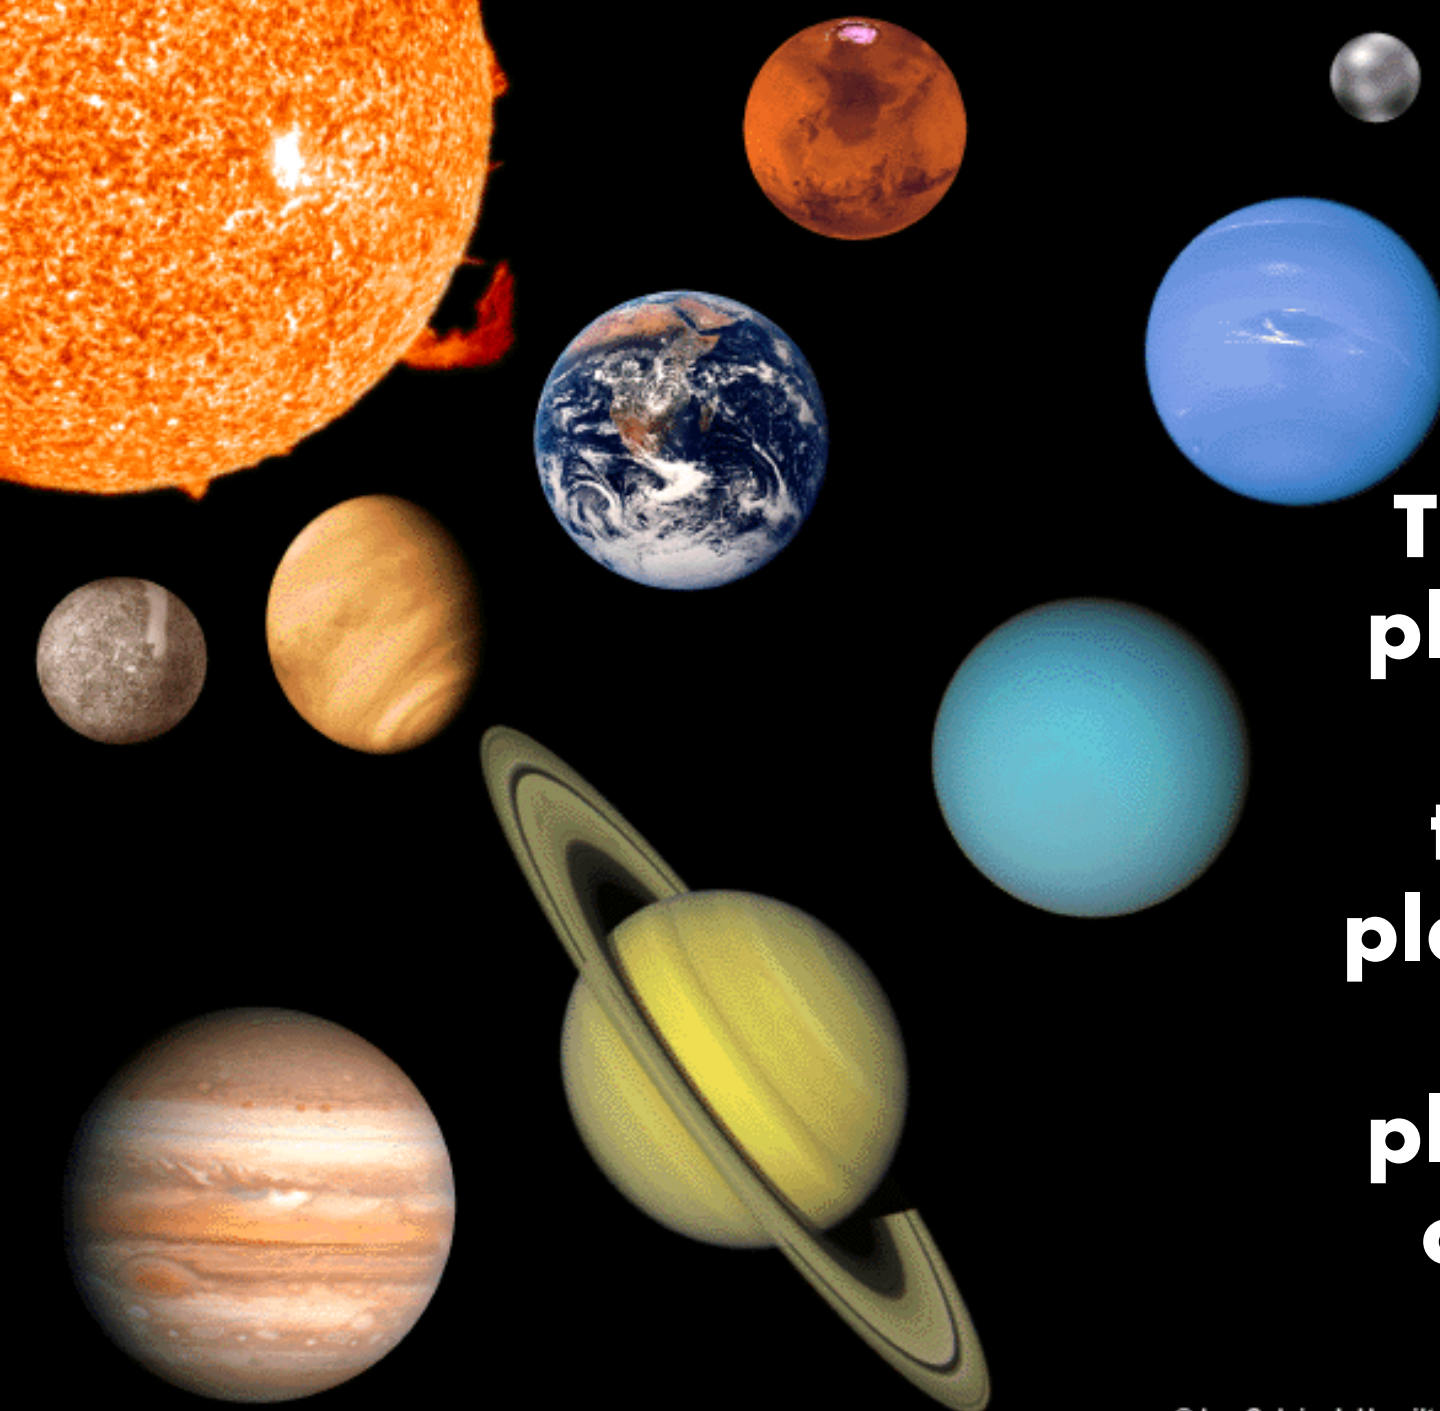

In the middle of our solar system is the Sun. The Sun is a medium sized star.

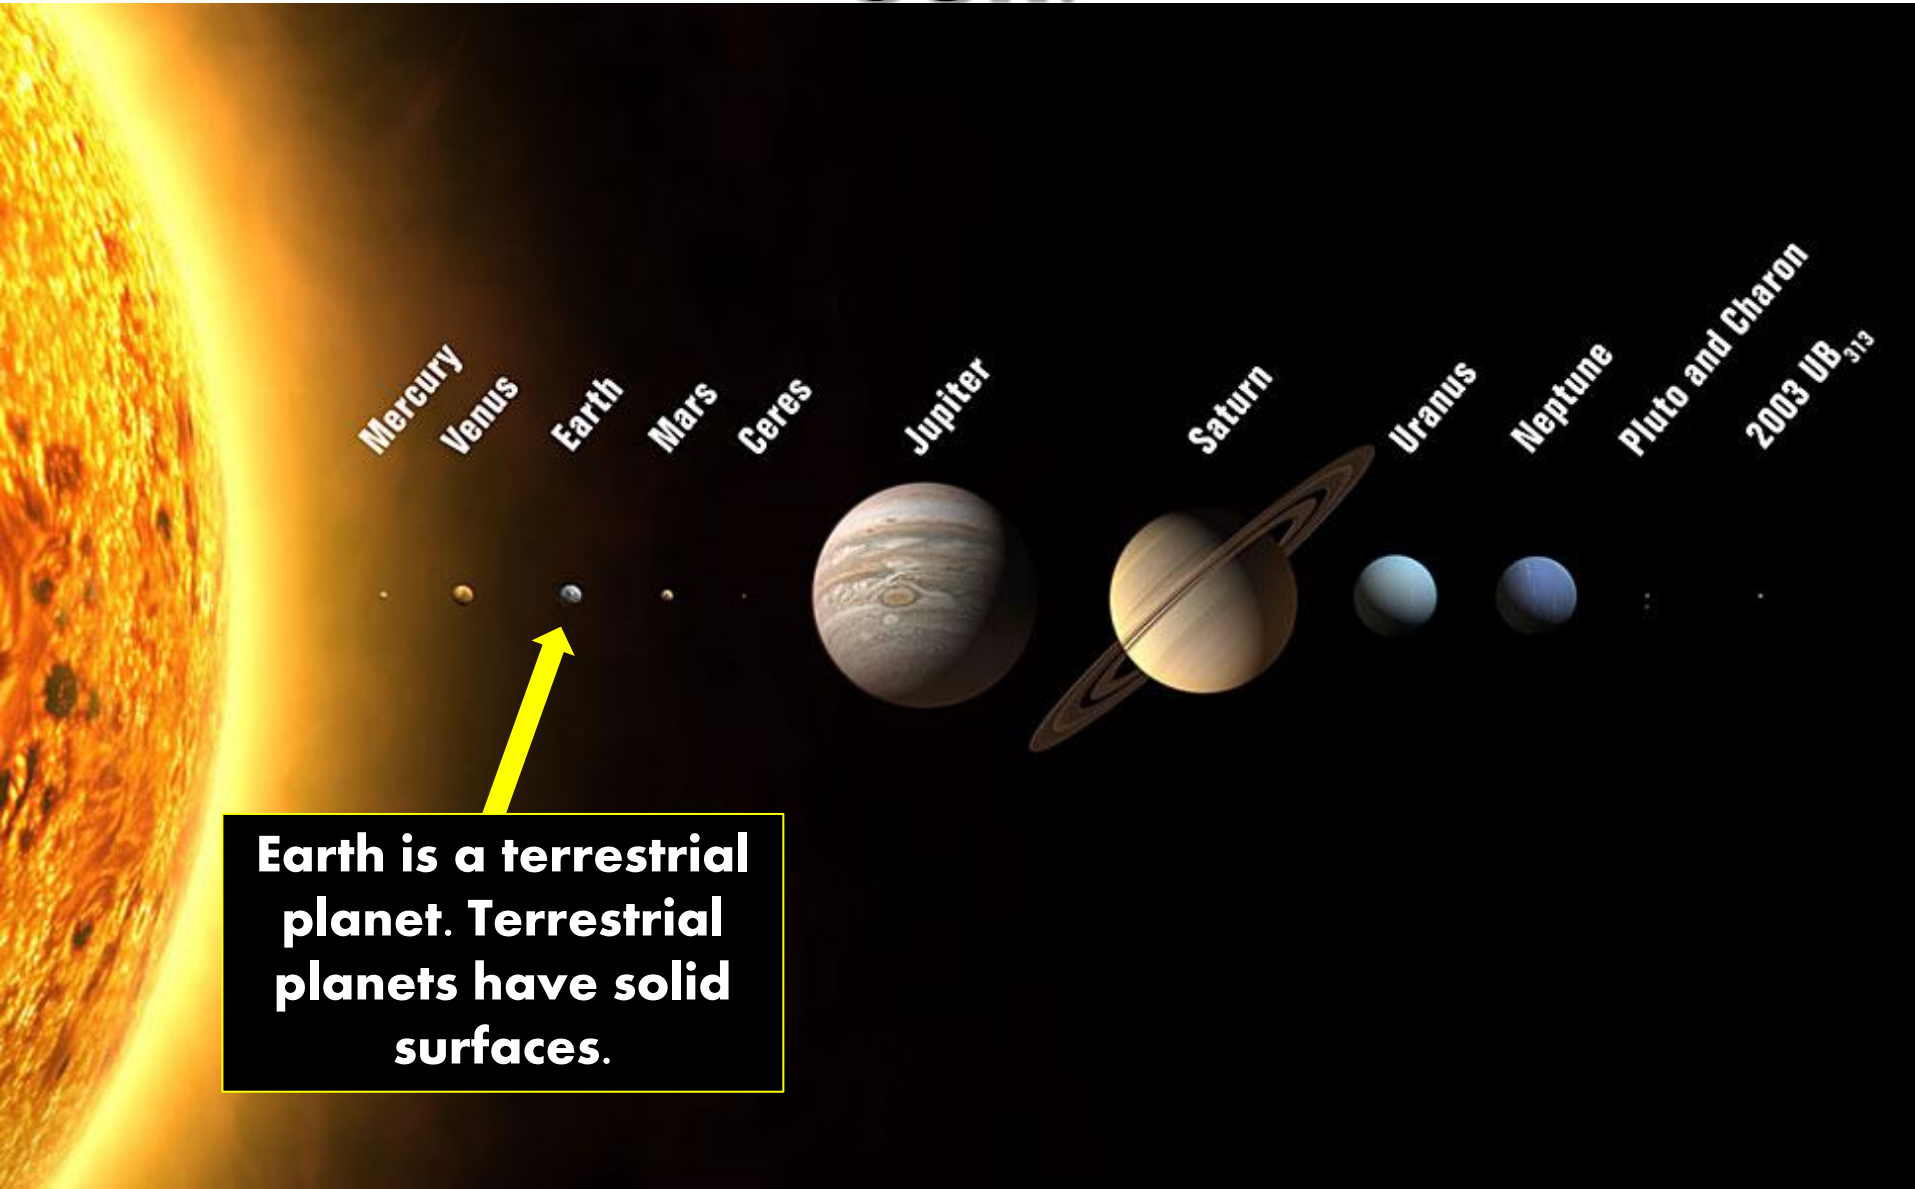

**Our solar system has 8 planets
revolving around the Sun.**

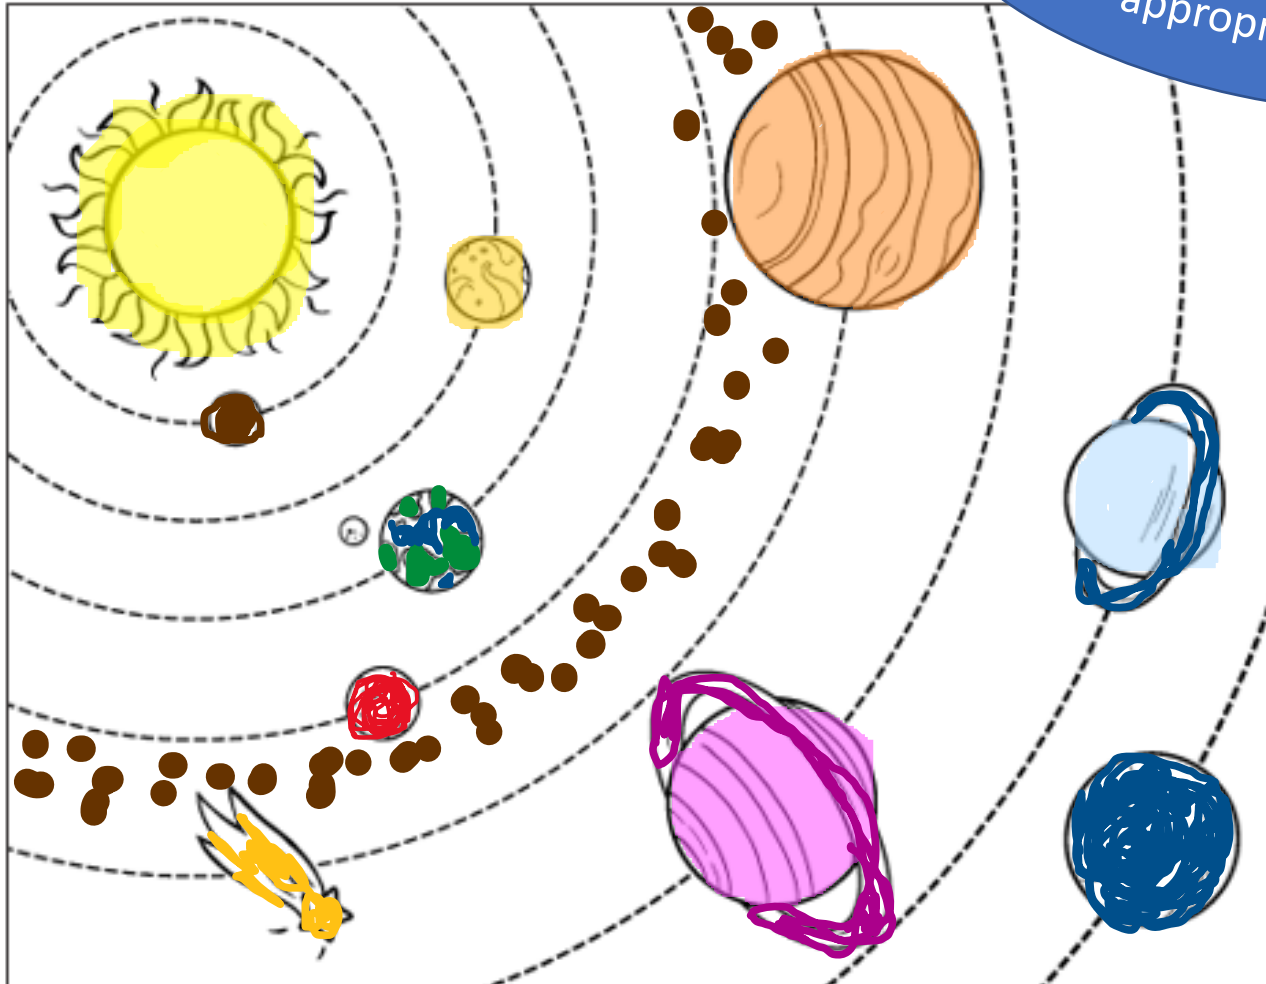

The 4 inner planets are called terrestrial planets. The 4 outer planets are called gas giants.

We live on the 3rd planet from the Sun.

Earth is a terrestrial planet. Terrestrial planets have solid surfaces.

SOLAR SYSTEM

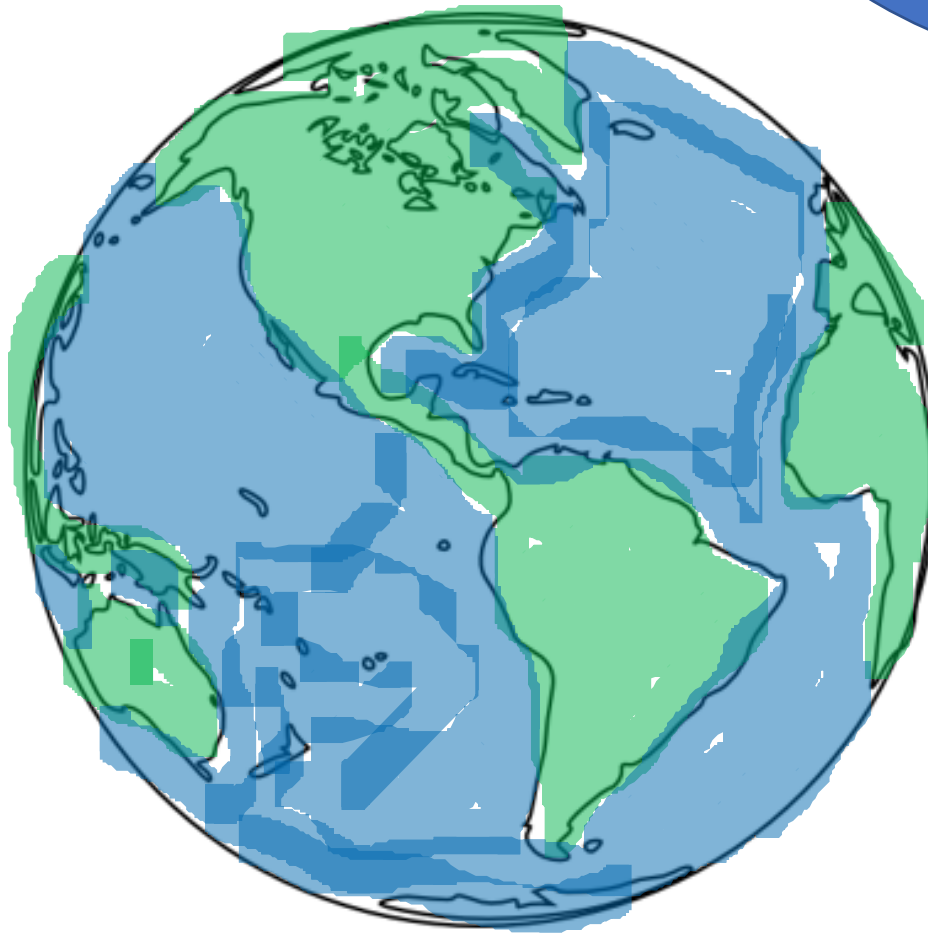

Our Solar System is one of many in the Milky Way Galaxy. The Sun is in the middle of our solar system. There are 8 planets that revolve around the Sun.

**We live on
Earth.**

**Earth is often
called the Blue
Planet due to the
vast amount of
water on its
surface.**

PLANET

Find this page in your booklet, color it appropriately.

Earth

We live on Earth. Earth is the 3rd planet from the Sun. Earth is often called the Blue Planet because of the vast amount of water on its surface.

**There are 7 continents on the Earth.
A continent is a large area of
continuous land.**

**We live on
the
continent
of North
America.**

CONTINENT

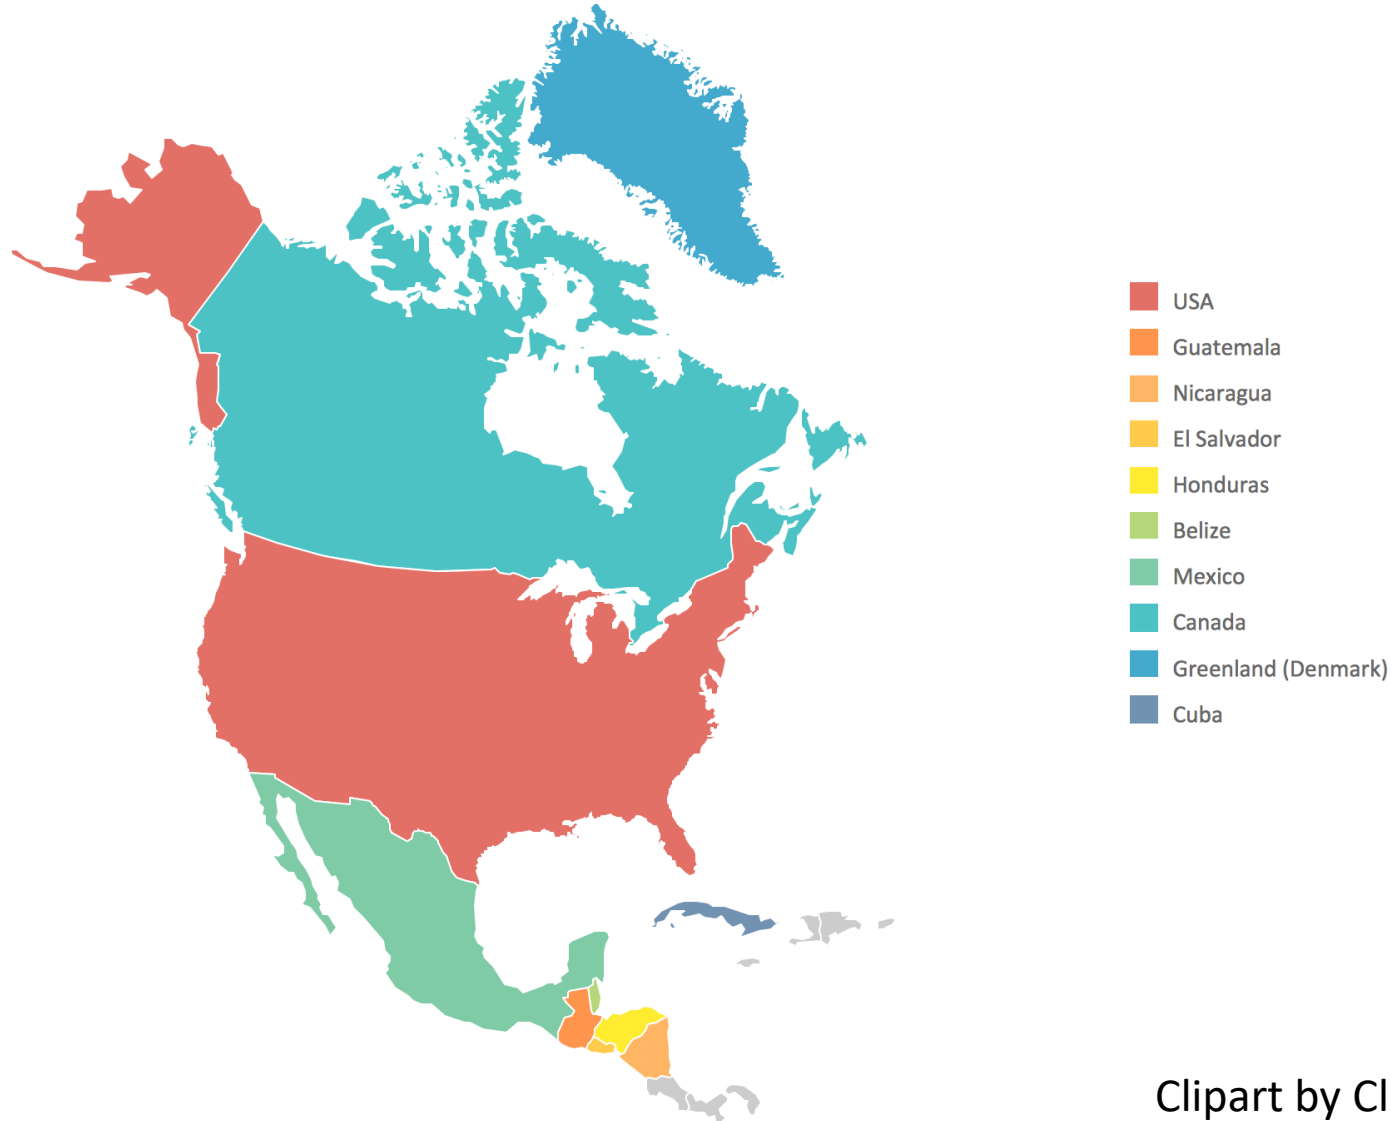

Find this page in your booklet, color it appropriately.

NORTH AMERICA

There are 7 continents on Earth. A continent is a large area of continuous land. We live in North America.

North America is divided into countries and dependent territories.

**United States of
America**

**We live in
the country
of the
United
States of
America.**

COUNTRY

Find this page in your booklet, color it appropriately.

United States of America

North America is divided into countries and dependent territories. We live in the United States of America. We became a country on July 4, 1776.

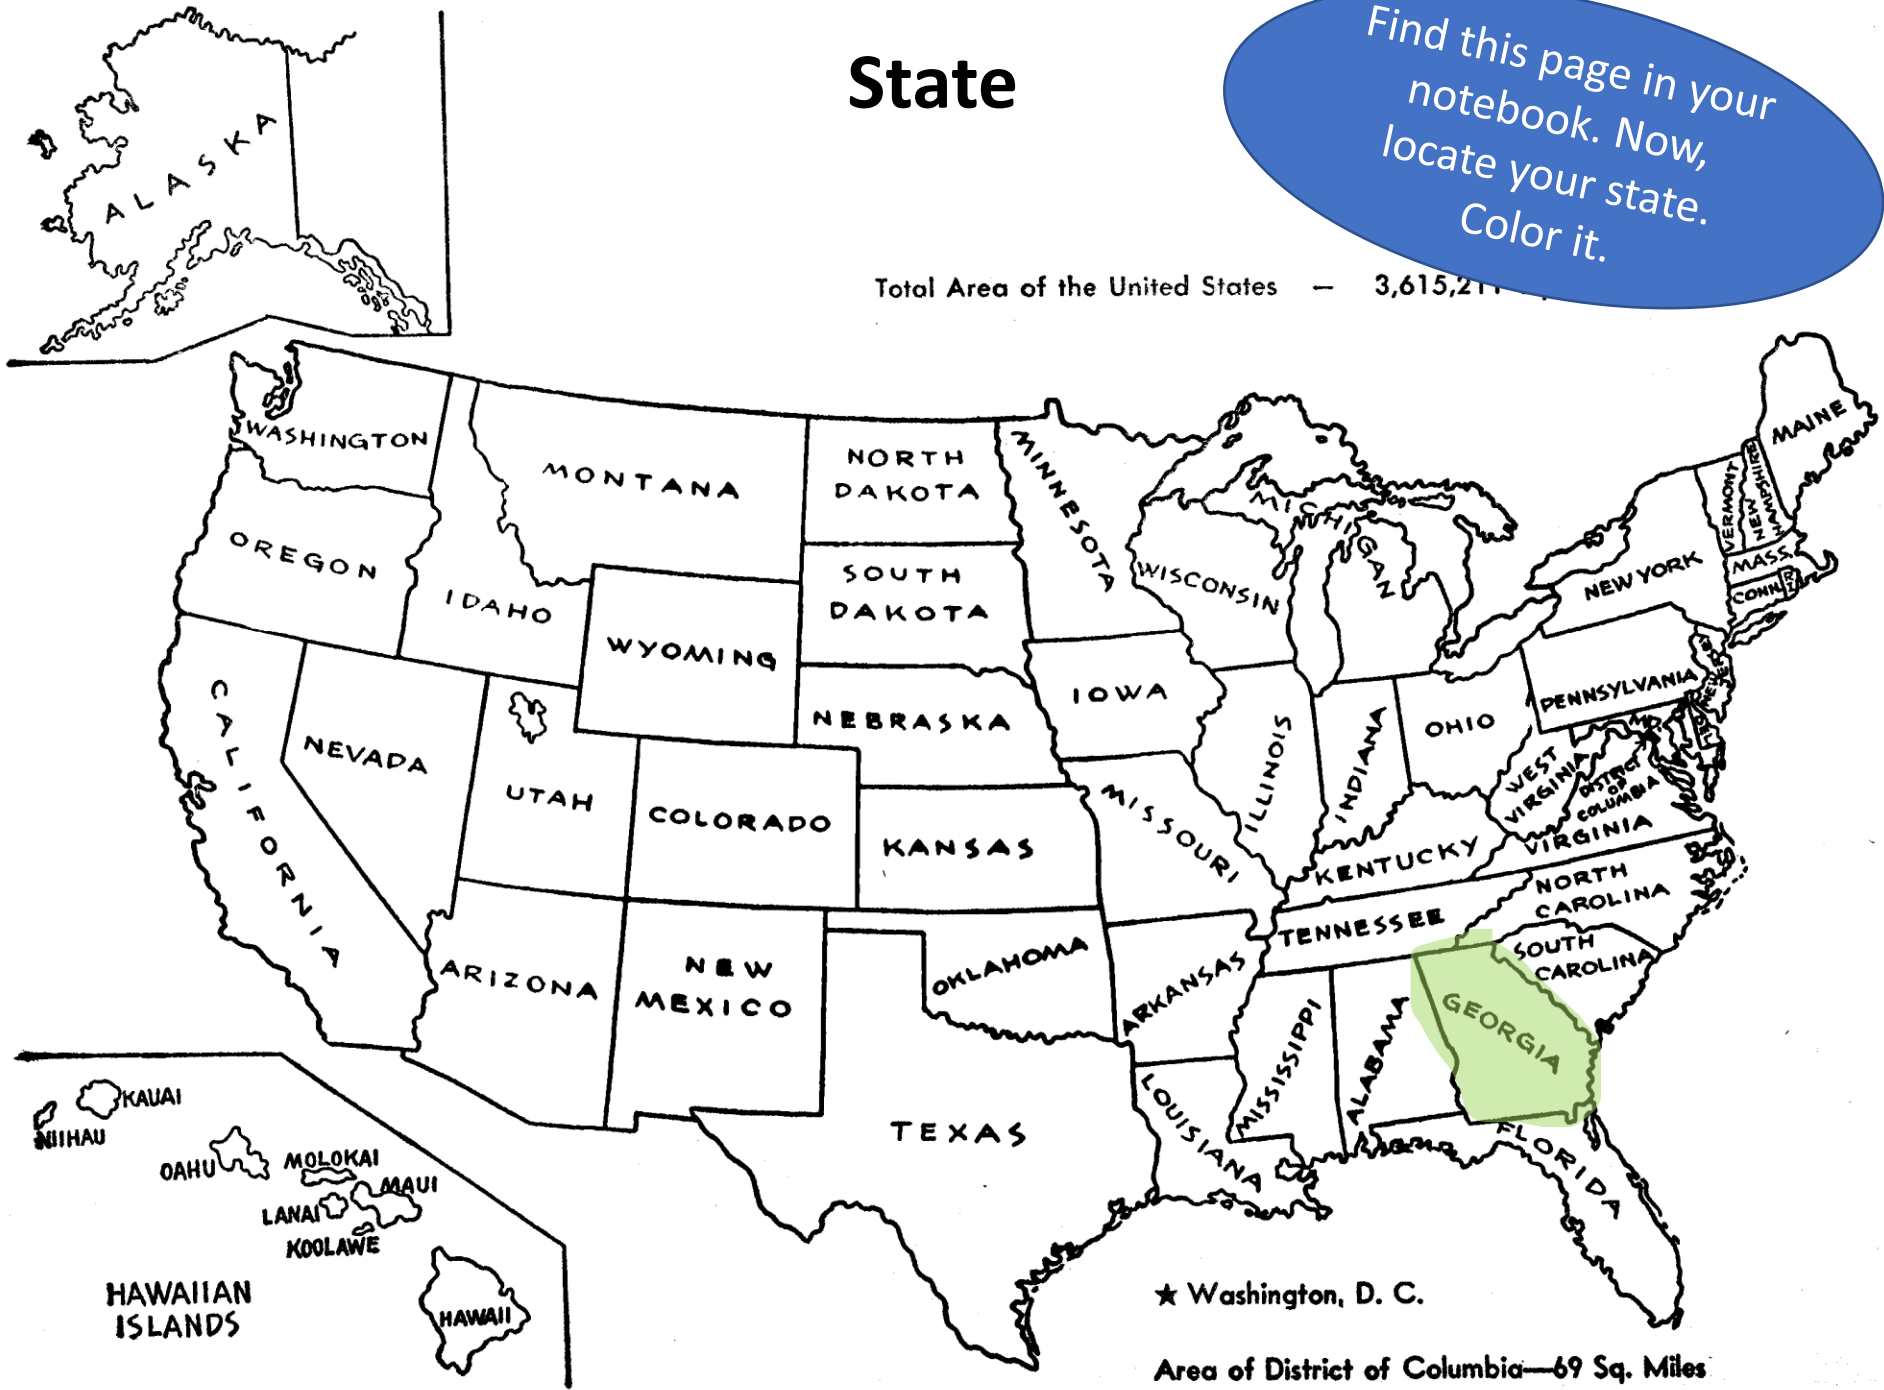

The United States of America is divided into 50 states.

State

Find this page in your notebook. Now, locate your state. Color it.

Total Area of the United States — 3,615,211

★ Washington, D. C.

Area of District of Columbia—69 Sq. Miles

Within your state there are hundreds, maybe thousands, of streets with homes.

Everyone's home is different. Some people live in houses. Others live in apartments. Still others live in high-rises. What type of home do you live in?

My Address:

1234 Hardy Road

Home

Redwood, CA 91277

Find this page in your
booklet, draw your
own home and write
your address.

**For every house
is builded by
some man; but
he that built all
things is God.
Hebrews 3:4**
