

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

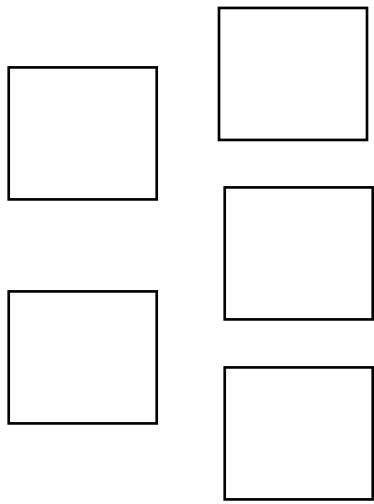

May you be blessed on your homeschooling journey. Happy learning!

Marie

Shapes Pack

This pack includes 10 activity sheets appropriate for early learners. My youngest has been asking me, "Where is my school?" She is 3, but since she sees her older siblings doing school, she likes to participate. With that being said, I have been creating some packs for her and her older sister who is in kindergarten. Print out what suits you and leave what doesn't! Happy learning!

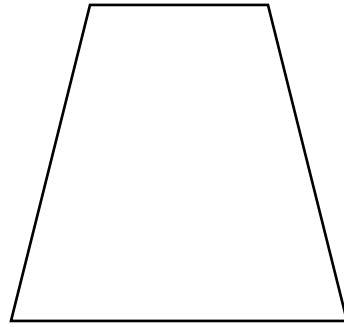

Circle how many shapes are in each set.
