

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey. Happy learning!

Marie

The Mayflower Voyage Map Activity Sheet

The Mayflower Voyage Map is the perfect geography activity for students 3rd grade and Middle School. In this geography activity, your student will use an atlas or the interactive map shown above to label key continents and locations featured on the map. Not only will your student label, but he will also draw the Mayflower and identify its route. To extend the learning, ask your students questions pertaining to directions. In what direction was the Mayflower sailing? Where is Africa compared to Europe? Happy learning!

The Mayflower Voyage - 1620

- Draw a line connecting the two stars to show the route of the Mayflower voyage.
- Draw your version of the Mayflower along the route you drew.
- Use an atlas to label the following:
 - Atlantic Ocean
 - Europe
 - Plymouth, England
 - North America
 - Africa
 - Plymouth, Massachusetts
- Color the land brown or green and the water blue.
