Pilgrims & The Mayflower Cut & Paste Activity Sheet

Pilgrims & The Mayflower Cut & Paste Activity Sheet is a great activity for early learners who are needing practice working their little hand muscles. First, your student can cut the 1st sheet in half down the gray line. Next, overlap and tape the bottom of the left side to the top of the right side (cover the instructions). This will give you a thinner and longer paper to deal with. Next, have your student cut out all 5 of the Mayflower boats. Then, instruct your student to place the ships in order from biggest to smallest. Glue the boats on. Happy learning!

BIGGEST

Cut the paper vertically along the gray line. Then, overlap and glue the bottom piece of the left side onto the top piece... right here. That way you have vertically doubled the length. 🤔
