

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey. Happy learning!

Marie

Conversation Hearts Graph

Take one the most popular Valentine's candy and use it to conduct some scientific investigation! If you want your students to get excited about graphs, bring out a box of conversation hearts. All you will need for this investigation is a small box of conversation hearts and this printout. Happy learning!

☺ Marie

Conversation Hearts Graphing Lab

- 1.) Predict: How many candy hearts do you think will be in your box? _____
- 2.) Do you think that every box will have the same amount?

- 3.) How many did you have in your box? _____
