

Hi! Thank you for visiting [thehomeschooldaily.com](http://thehomeschooldaily.com) ! I am so glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own. If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to [thehomeschooldaily.com](http://thehomeschooldaily.com) or giving proper attribution to [thehomeschooldaily.com](http://thehomeschooldaily.com) .

May you be blessed on your homeschooling journey.

### **Life Cycle of a Robin Graphic Organizer & Poster**

This is a simple way to reiterate the life cycle of a bird and reinforce comprehension. In this set, you will find a printable poster option, a cut & paste organizer, or a fill-in-the-blank sheet. My daughter specifically wanted to use the clipart pieces to create her own graphic organizer gluing the pieces onto a paper plate. Personally, I thought the paper plate option was the best... but just my opinion! Happy Homeschooling!
