

Hi! Thank you for visiting [thehomeschooldaily.com](http://thehomeschooldaily.com) ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

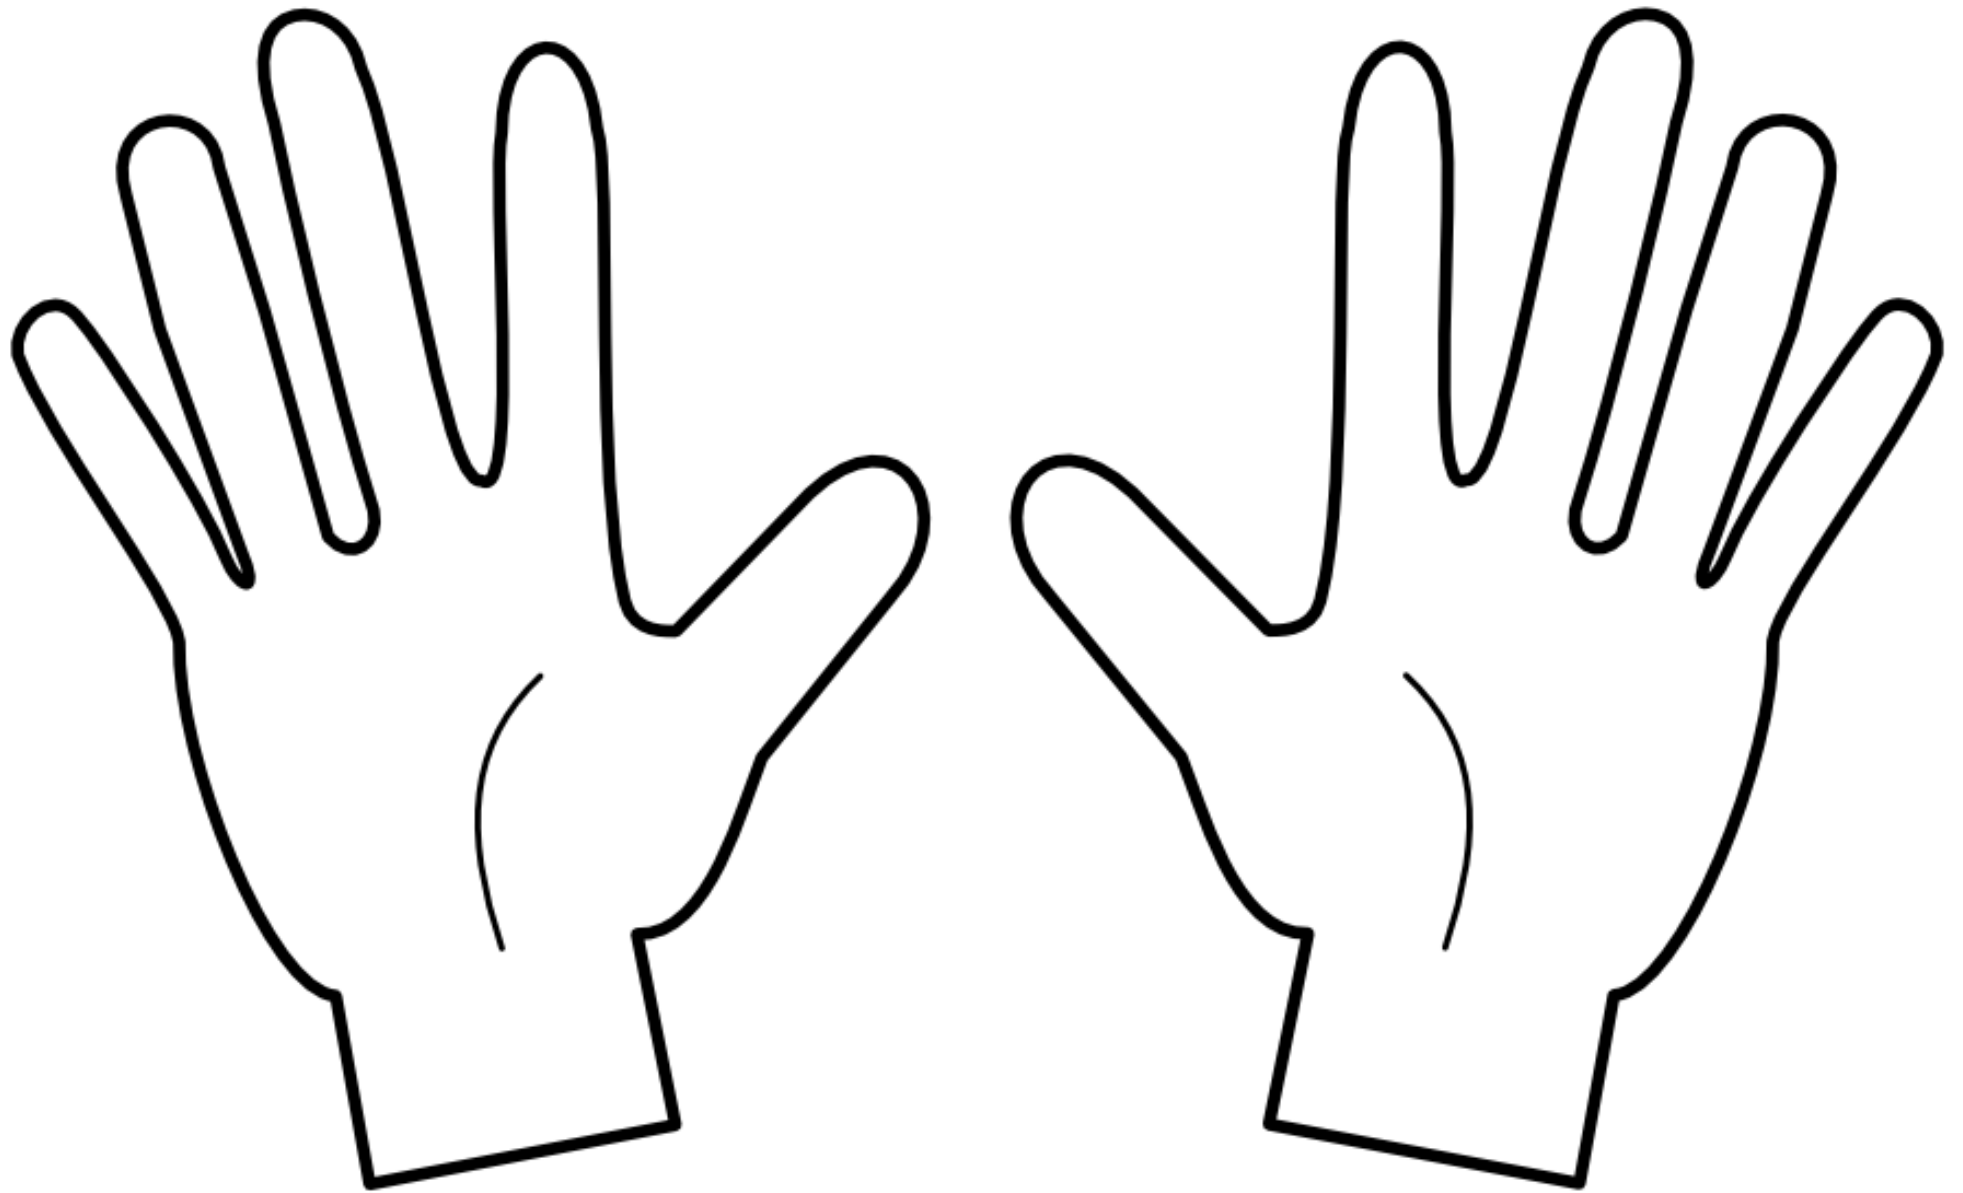

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to [thehomeschooldaily.com](http://thehomeschooldaily.com) or giving proper attribution to [thehomeschooldaily.com](http://thehomeschooldaily.com) .

May you be blessed on your homeschooling journey. Happy learning!

## **Prayer Activity Sheet**

**Teaching your child to pray is best taught through example. However, if you are looking for a more visual way to demonstrate talking to God, you might like this simple yet effective teaching tool. There is a version with printed hands or you can use the one that is left blank so that you can trace your child's hands. Lead your child to come up with 10 different people or things to pray for. Write these things in each of the fingers and thumbs. Happy praying!**

Watch and pray, that ye enter not into temptation: the spirit indeed is willing, but the flesh is weak.

Matthew 26: 41
