

God created
everything!

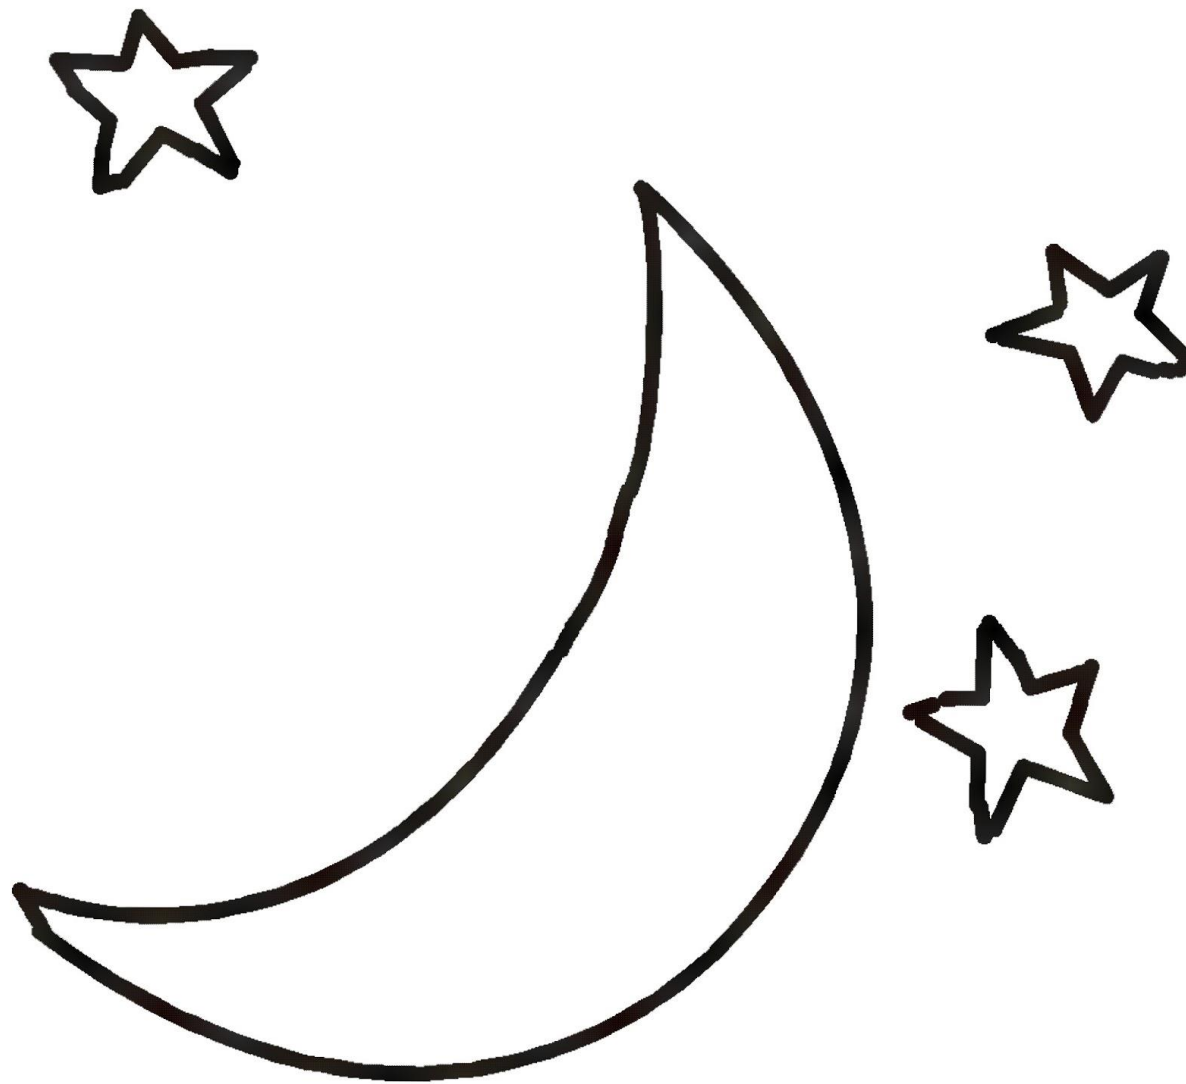

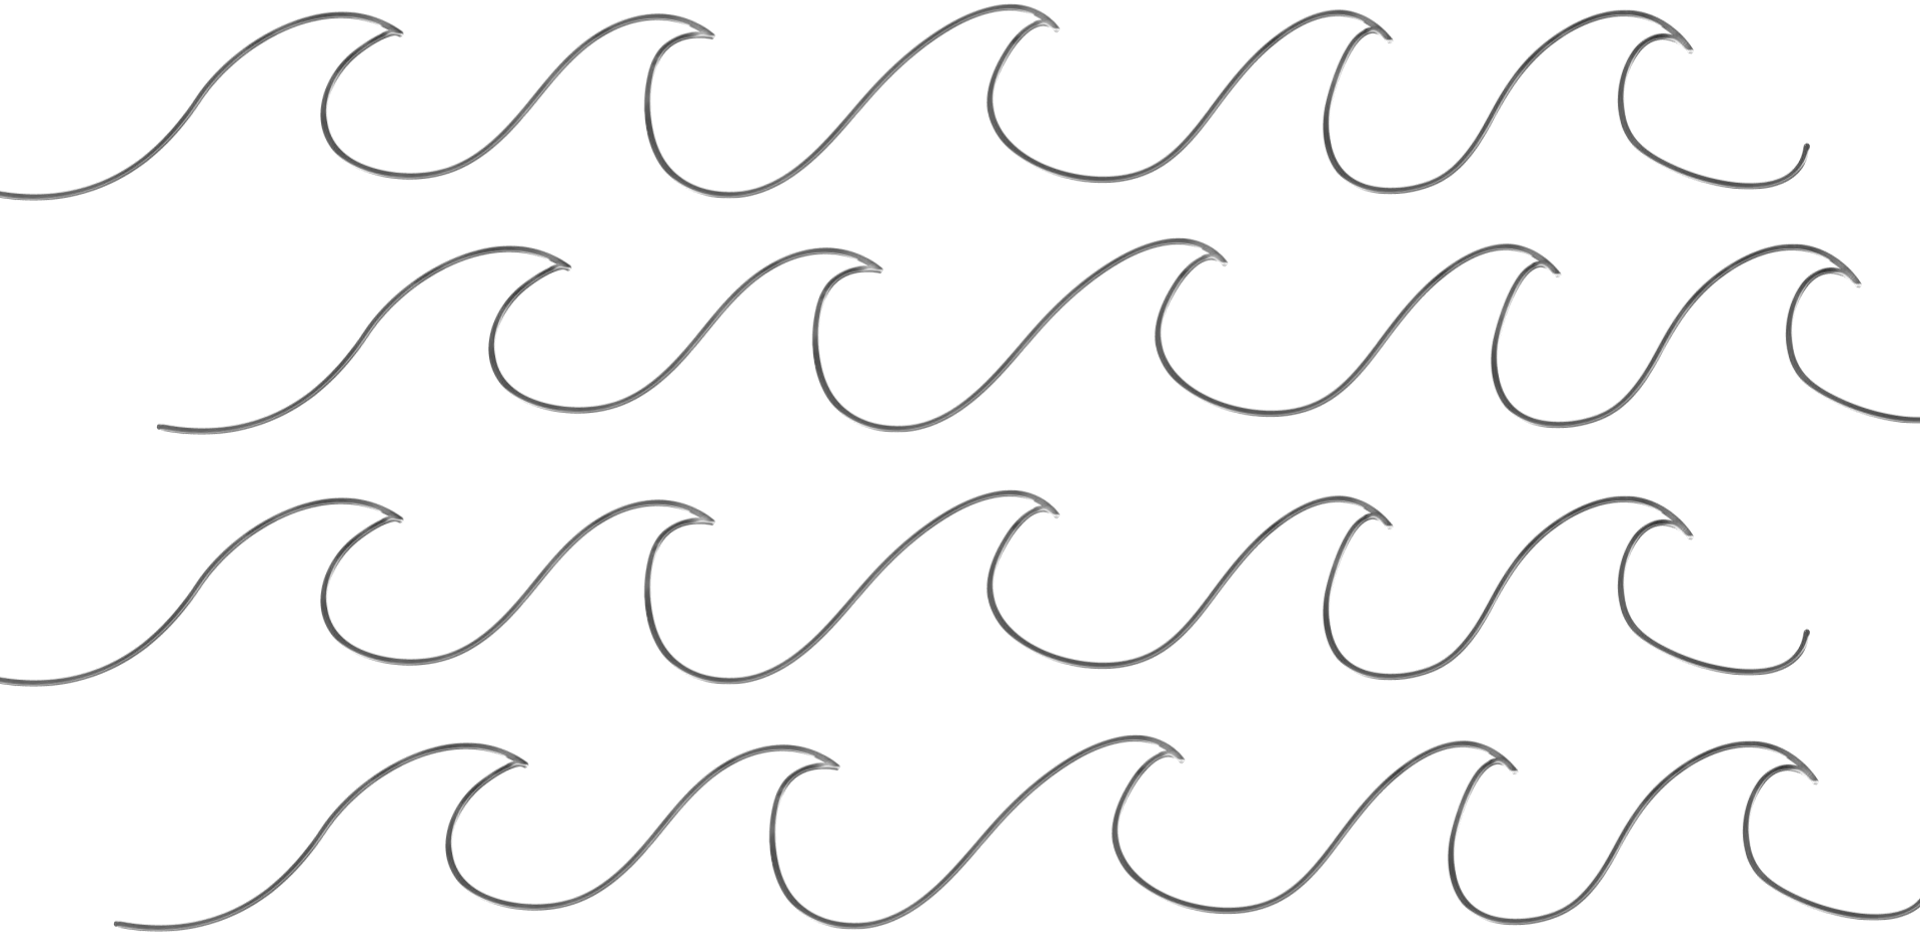

God made the Earth.

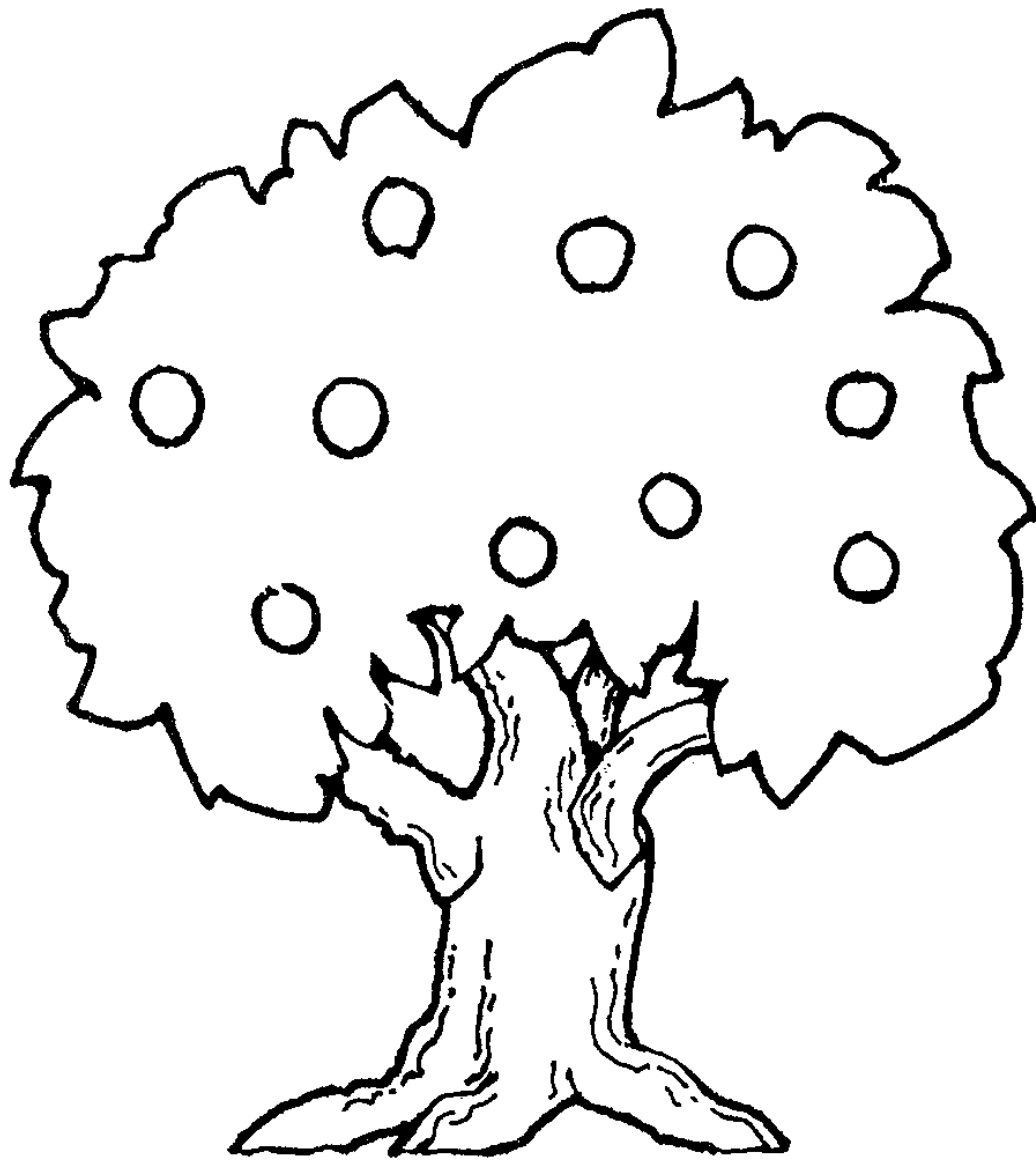

God made the sun.

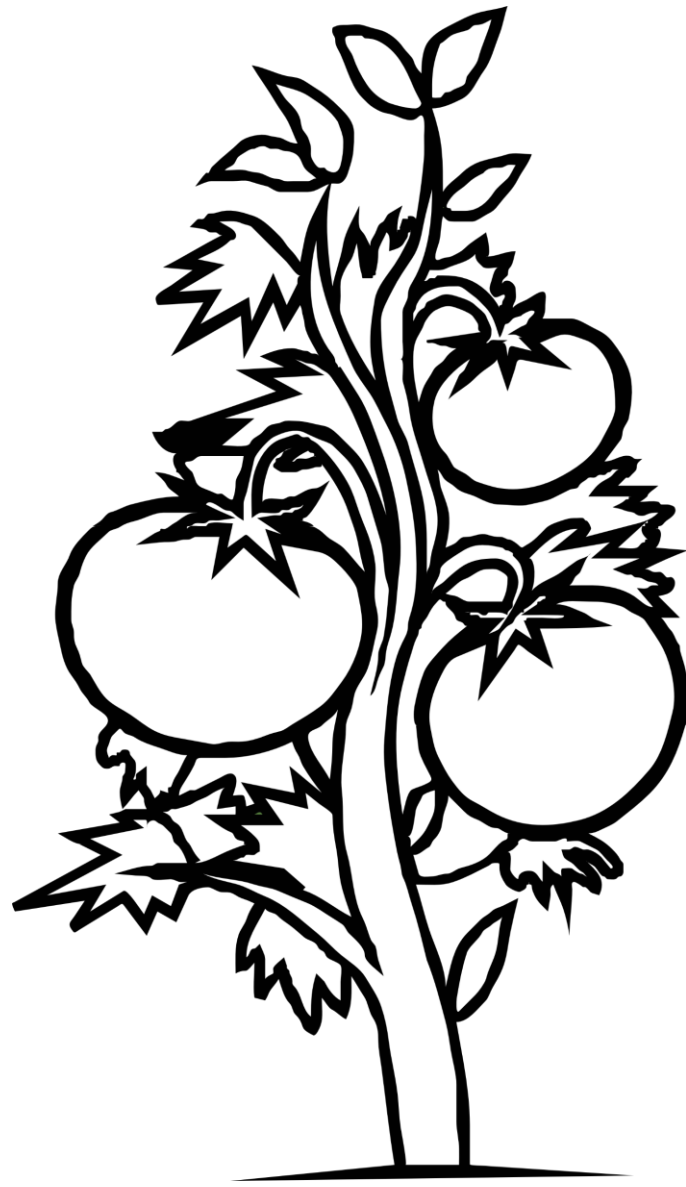

God made the moon.

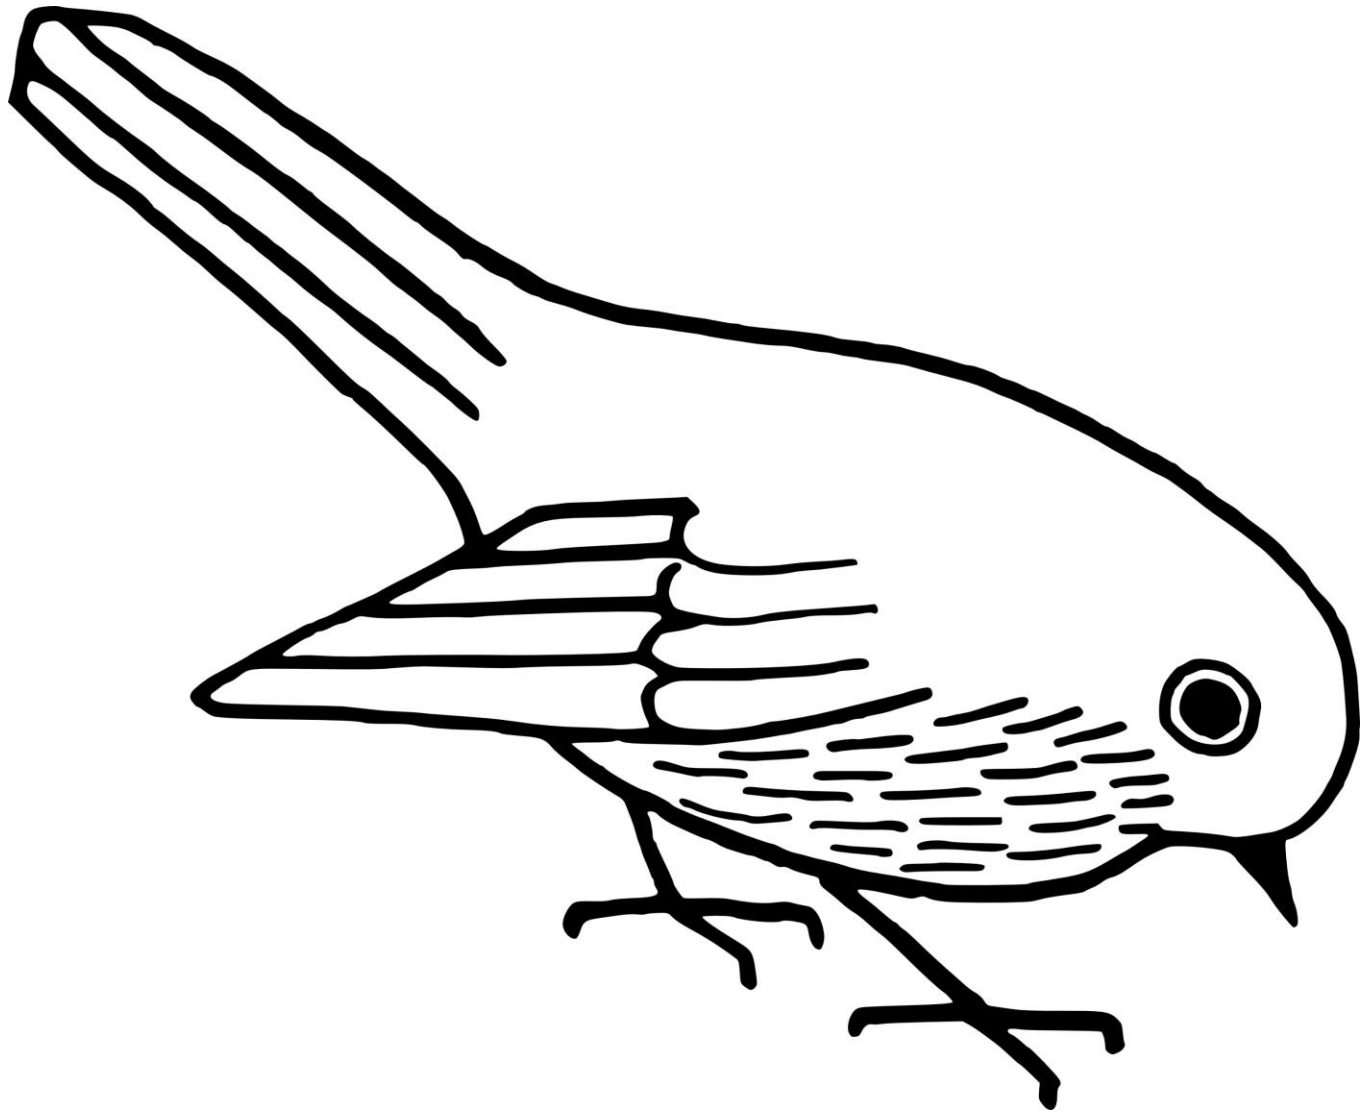

God made water.

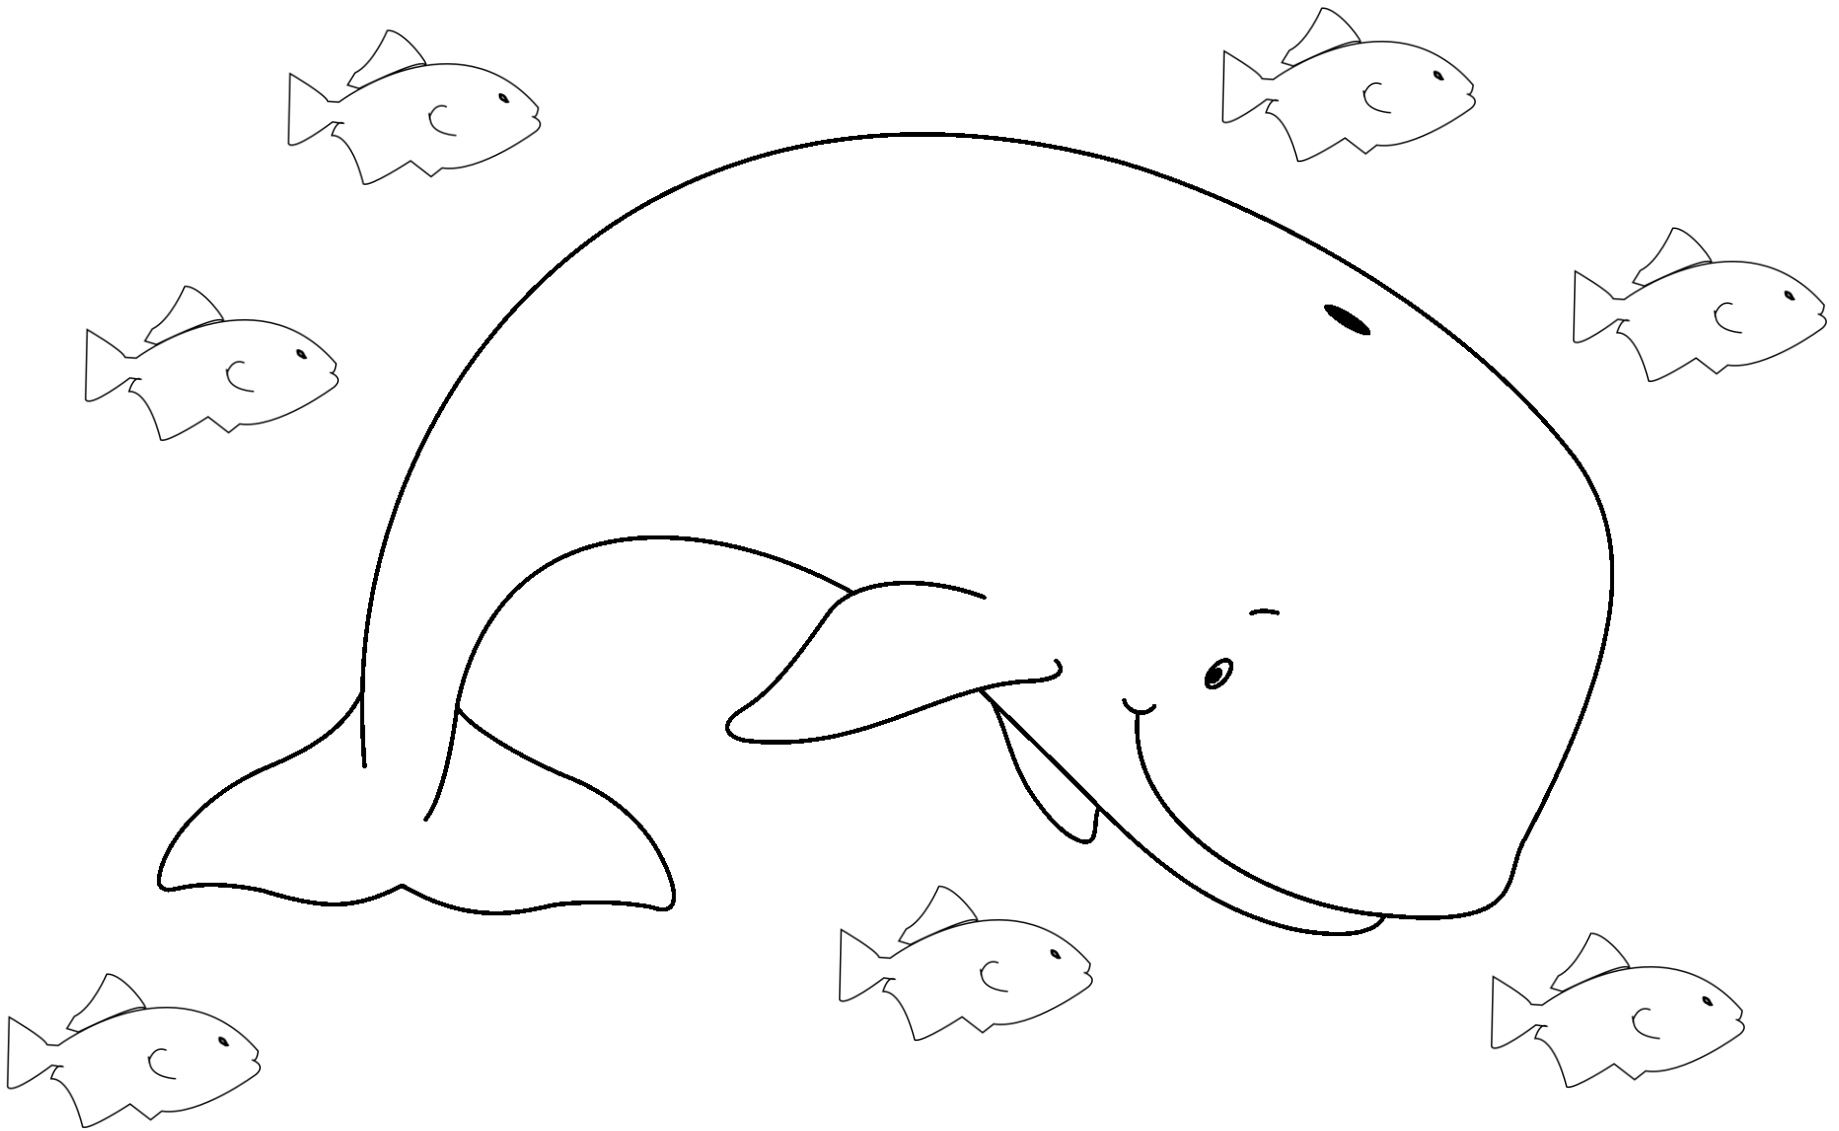

God made trees.

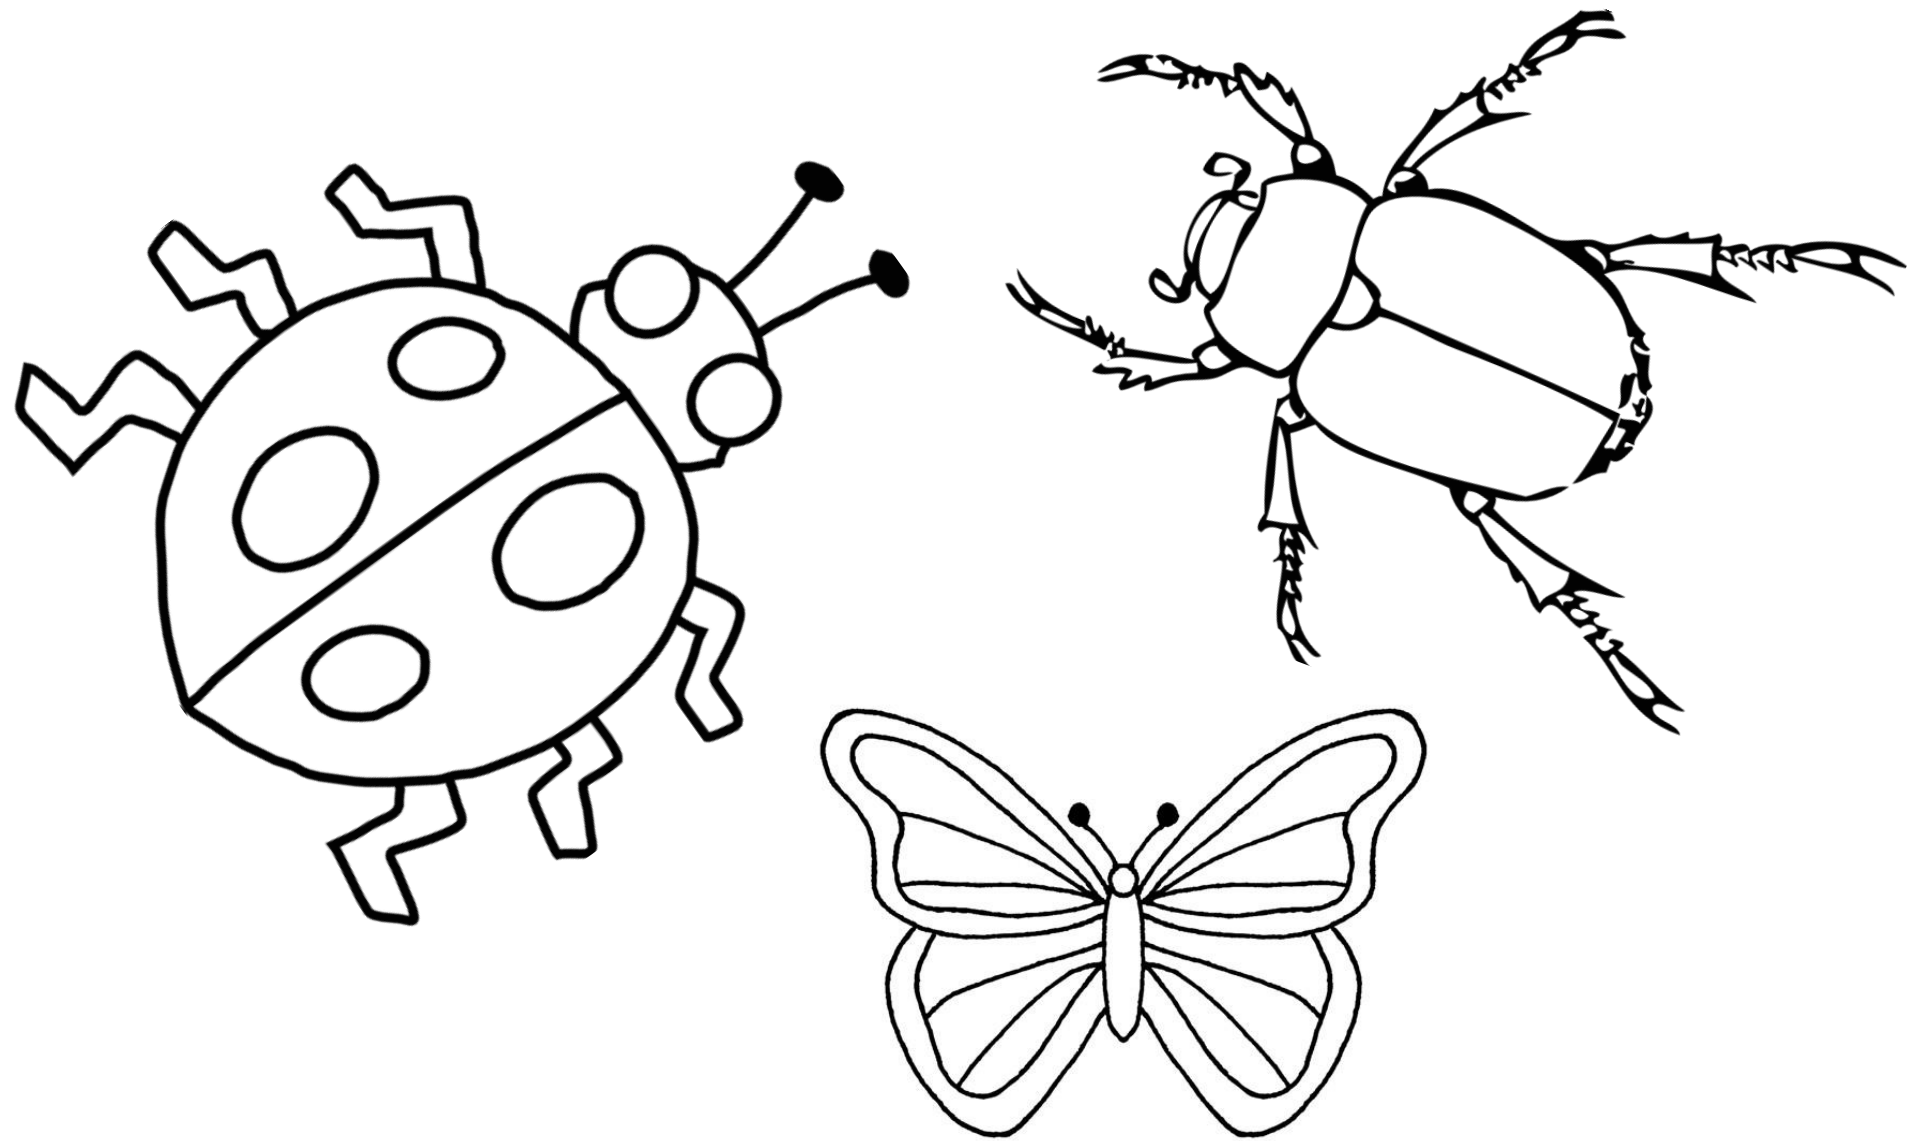

God made plants.

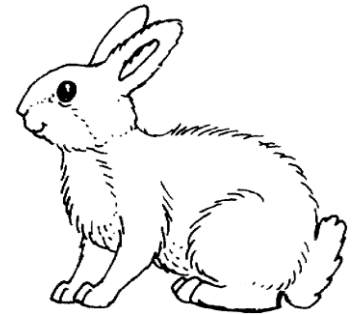

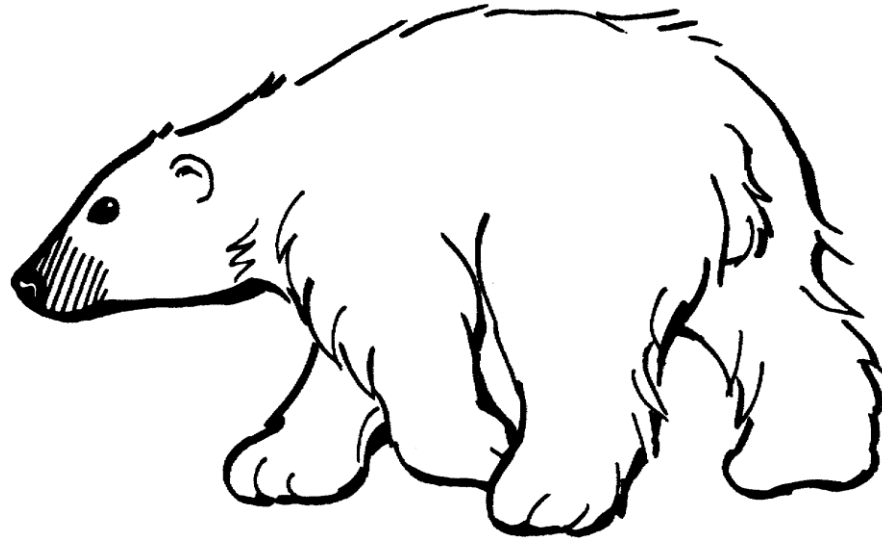

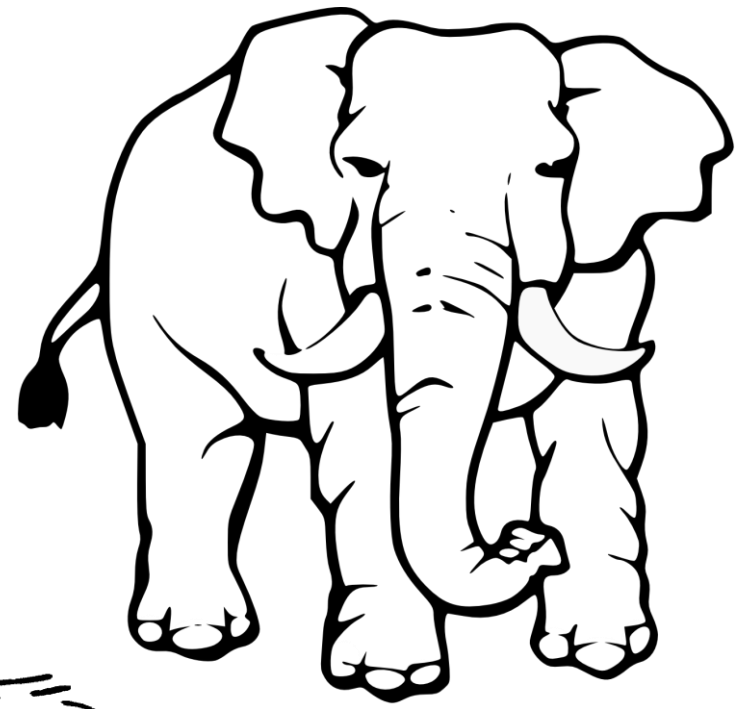

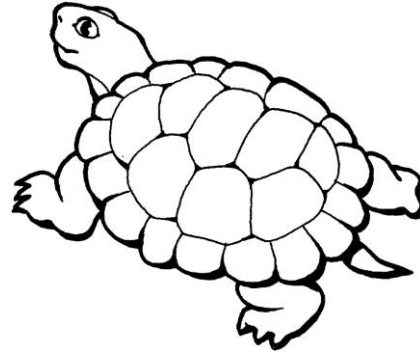

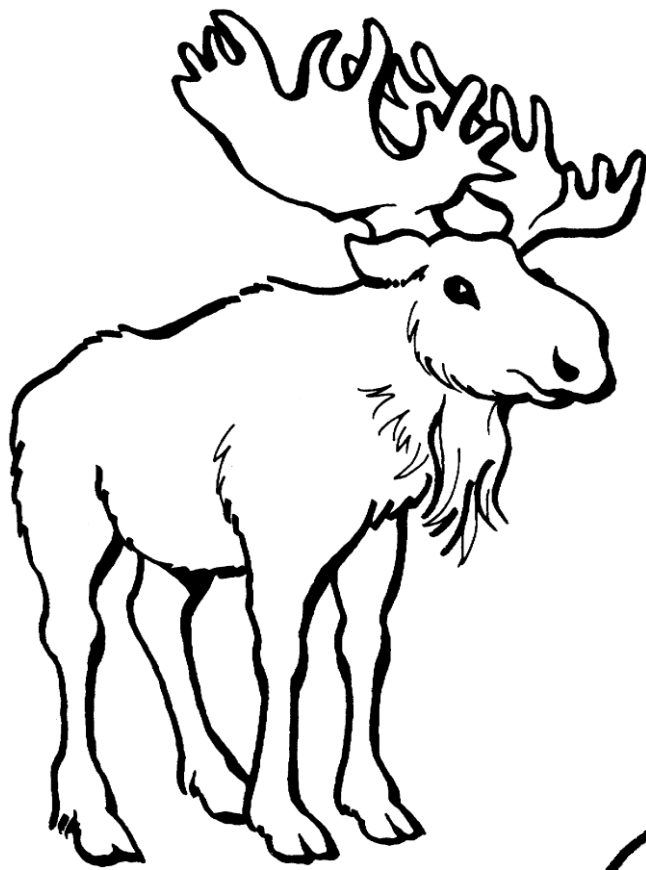

God made birds.

God made fish.

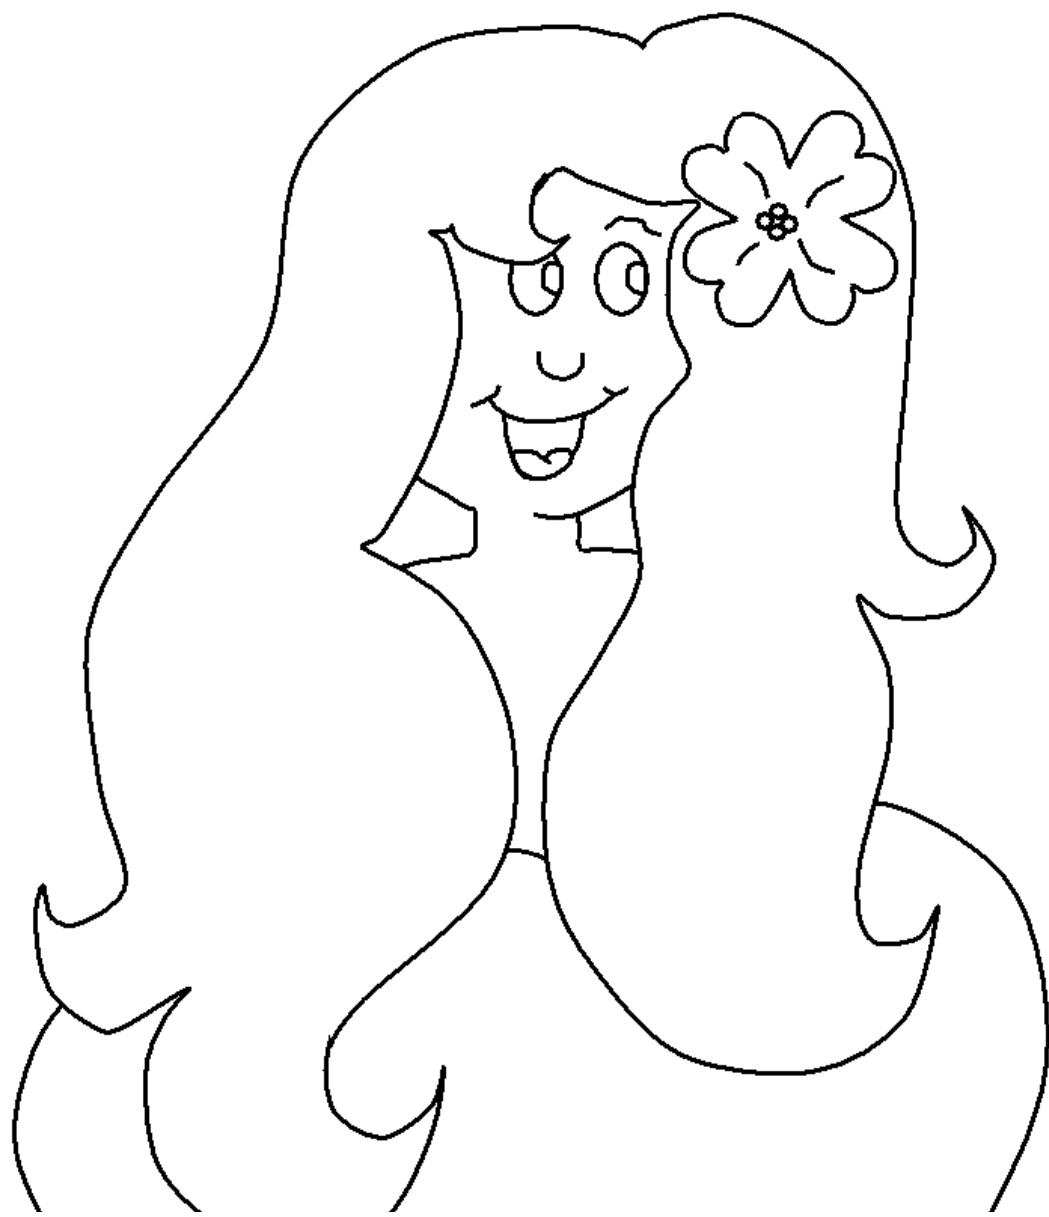

God made insects.

God made animals.

God made man.

God made woman.

God made you!

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com and giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey. Happy learning!

Marie

God created Everything Reader

This reader is all about what God created. Featuring a repetitive sentence structure and picture context clues, this emergent reader is perfect to coincide a unit study on the days of Creation. Happy reading!
