

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey.

♥ Marie

Volcano Research & Writing Sheets

The Volcano Research and Writing sheets includes options two options to use as a research sheet. Using one of the research sheets, your student can then use their graphic organizer to complete a writing assignment. There are two different writing templates depending on which one is more appropriate for your student. Be blessed...
