

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey. Happy learning!

Marie

Community Helper Draw & Write Sheets

Draw & Write Sheets are classic. They allow your child to illustrate their creative story or non-fiction piece. It is also more user-friendly as it doesn't seem quite so intimidating as a blank sheet of paper full of lines. There are a couple of Draw & Write options below specifically geared towards Community Helpers. Happy learning!

Why are community helpers important to our communities?

If you could be any community helper, which one would you be and why?
