

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey.

Thankful Wreath

All you need for the Thankful Wreath is this printout, paper plates, glue, string, and construction paper. Cut out the scripture verse to glue to the center of your plate. Next, cut leaves out of construction paper to adorn your wreath. You can use the leaf templates supplied on page 2. If you would like, use real leaves, preferably colored fall leaves, to glue around your wreath instead. Poke a hole in the top to string it. Voila! You are done! One way to extend this craft is to ask students to write something they are thankful for on each leaf. Happy Thanksgiving!

In every thing
give thanks: for
this is the will of
God in Christ
Jesus concerning
you.

I Thessalonians
5:18

Enter into his gates
with thanksgiving,
and into his courts
with praise: be
thankful unto him,
and bless his name.

Psalms 100:4
