## Printable Christmas Ornaments

When teaching younger children, these simple paper ornaments are perfect. Print out the black and white clipart if your student is eager to color or make use of the colored clipart. I found it helpful to print on cardstock. We used a glass to draw circles around some of the images before cutting them out or you can just cut them into cards. Glue the clipart to a piece of Christmas cardstock, construction paper, or leave it as is. Next, cut it out and punch a hole at the top. String it with a piece of ribbon and it is finished! Your ornament is ready to be hung on the tree! 😊

For the stars, color them yellow or print on yellow cardstock. On the back, encourage your child to write the words "Baby Jesus" or "Jesus." We then either add dots of glue and adorn it with glitter or let the kids put metallic star stickers all over. Once again, punch a hole at the top and string with ribbon.  
Merry Christmas!
