ABC Book – Slideshow – Posters- Cards

The ABC Book can be used as a slideshow, book, posters, or as cards. It really depends on what you need and how you print it. For a hand-held book, print the PDF 2 pages to a sheet. If you are wanting to print posters, then I suggest laminating them after printing for durability. To make cards, print 4 pages to a sheet. When making posters or cards, print on cardstock for sturdiness. Wishing you the best on your learning journey!

Do you know your ABC's?
