

Hi! Thank you for visiting thehomeschooldaily.com ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to thehomeschooldaily.com or giving proper attribution to thehomeschooldaily.com .

May you be blessed on your homeschooling journey.

ABC Cut & Paste Craft Sheets

The ABC Craft Sheets are super simple and fun. These ABC Cut & Paste Craft Sheets are meant to coincide the ABC Book and slideshow that can be printed off on the Letters & Sounds page. Each sheet features a capital letter. For each letter, there is corresponding images at the end of the PDF for your student to cut out and paste onto their letter sheet. For younger students, this encourages fine motor skills, letter recognition, reinforcement of beginning letter sounds, and more!

We have also used the letters to make letter people. It is easy to add google eyes and draw on arms and legs. You can also glue items to the letters that are letter appropriate. For example, cotton balls to the "A" or buttons to the "B." Happy learning! 😊
