## Nature Scavenger Hunt

Who doesn't love to go exploring in the great outdoors! We do! I can't tell you how many times we have used a version of this scavenger hunt for group get togethers and co-op fun. I left the document editable because nature looks different everywhere you live and visit. I used to have gumballs listed as one of the items to find, but where we live now, there is a big pecan tree instead. Change the hunt to fit your individual needs. Have fun and go enjoy some fresh air! Happy learning! 😊
