

Hi! Thank you for visiting [thehomeschooldaily.com](http://thehomeschooldaily.com) ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to [thehomeschooldaily.com](http://thehomeschooldaily.com) or giving proper attribution to [thehomeschooldaily.com](http://thehomeschooldaily.com) .

May you be blessed on your homeschooling journey.

### Owl Draw & Describe

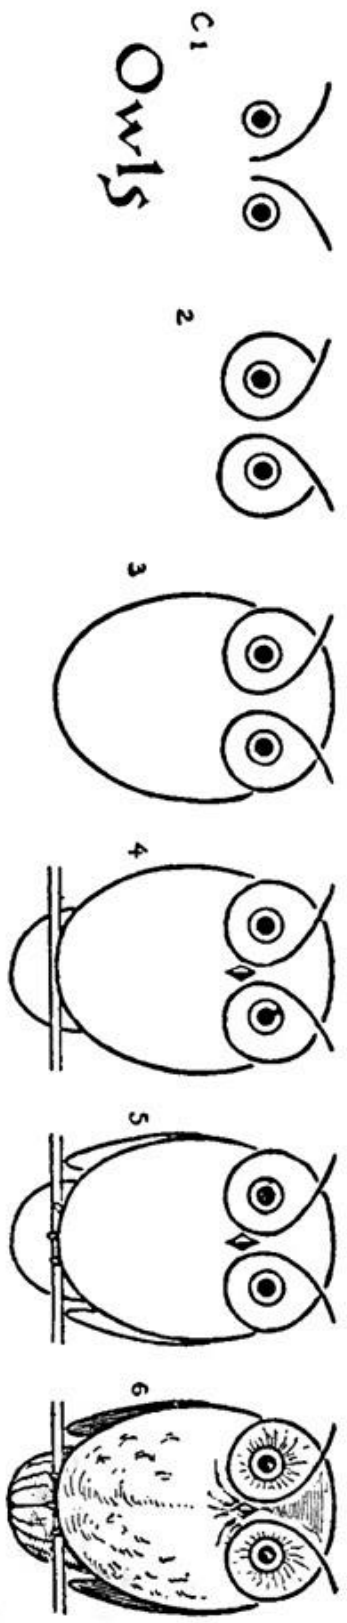

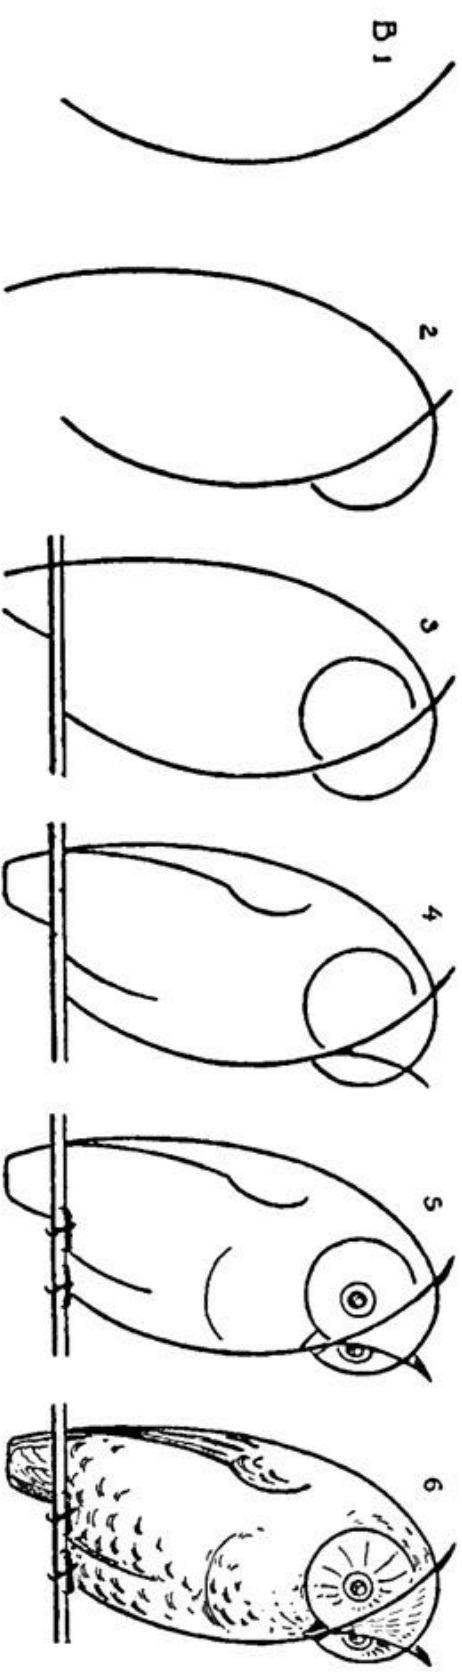

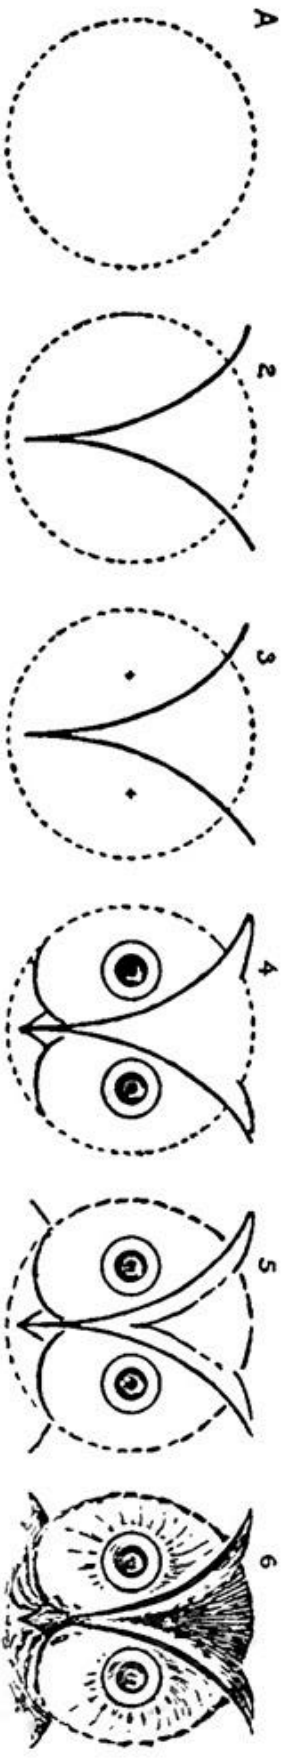

This is a simple activity, but students love it. The Owl Draw & Describe Sheet gives students a direction for their creativity to channel. Give your students one of the “How to draw an Owl” guides or let them watch an Art for Kids Hub drawing class on how to draw an owl. After your student draws an owl, let them brainstorm details that they know about owls or have them take notes while watching an owl video.

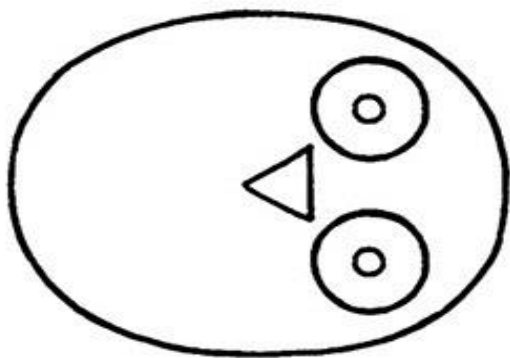

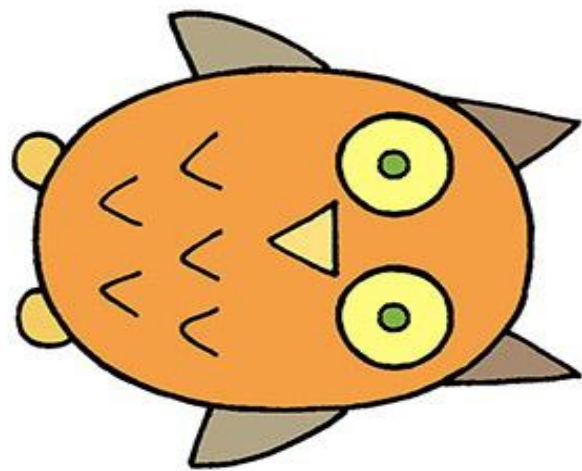

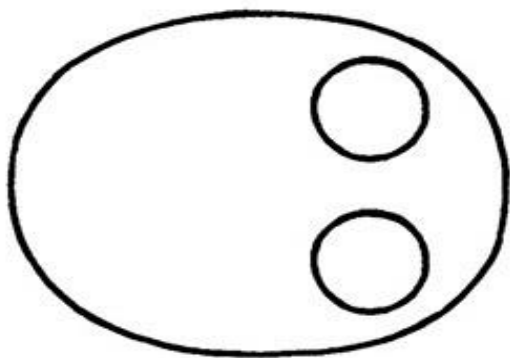

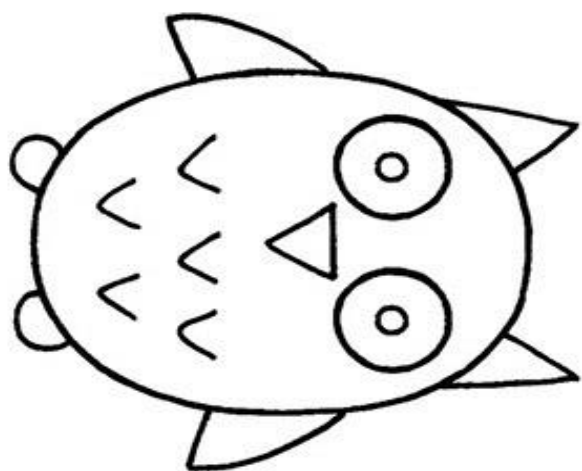

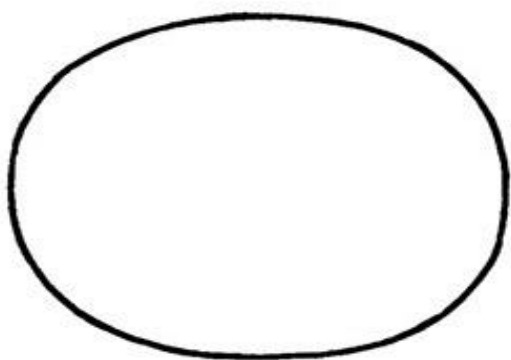

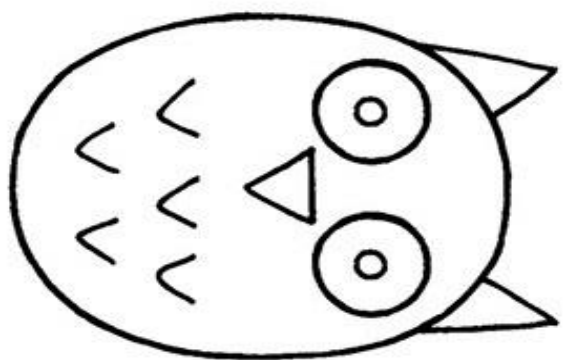

# DRAW & DESCRIBE

A large, empty rounded rectangular box with a thin black border, intended for drawing and writing.
