

Hi! Thank you for visiting [thehomeschooldaily.com](http://thehomeschooldaily.com) ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to [thehomeschooldaily.com](http://thehomeschooldaily.com) or giving proper attribution to [thehomeschooldaily.com](http://thehomeschooldaily.com) .

May you be blessed on your homeschooling journey.

♥ *Marie*

## Owl Pellet Investigation Sheet

If you are teaching your kids at home or a class of children, this Owl Pellet Investigation Sheet is a great way to solidify the hands-on dissection of an owl pellet. This was an investigation sheet I used years ago when teaching in a traditional setting. If I were teaching a group of students that were upper middle or middle school age, I would still make use of this lab sheet.

# Owl Pellet Investigation Sheet

1.) **Make Observations:** Describe what the owl pellet looks like. Texture? Color?

---

---

2.) **Take Measurements:**

Length: \_\_\_\_\_ cm

Width: \_\_\_\_\_ cm

Weight: \_\_\_\_\_ g (Hint: a pencil weighs about 50 grams)

3.) **Predict:** What do you think you will find inside the owl pellet?

---

---

4.) **Record your Findings:** What did you find inside the owl pellet?

---

---

---

5.) **Conclusion:** What do the contents of the pellet tell you about the owl's diet?

---

---

5.) **Think:** What type of habitat do you think this owl lived in and why?

---

---

Draw 5 items you found inside the owl pellet.
