

Hi! Thank you for visiting [thehomeschooldaily.com](http://thehomeschooldaily.com) ! So glad you were able to find a school tool you can use. Please feel free to use this activity for your own personal use or if you are the main teacher in a coop setting. I provide this free resource to encourage others to homeschool their own.

If you would like to share the file with others, I ask that you share by sending them a link to my website or to the page that hosts the file. Please do not send them a link directly to just the PDF file (the file you are at now).

You may not sell, copy, or alter my files as your own. You may not host my files on your own website without linking them to [thehomeschooldaily.com](http://thehomeschooldaily.com) or giving proper attribution to [thehomeschooldaily.com](http://thehomeschooldaily.com) .

May you be blessed on your homeschooling journey.

## Owl Fact Sheet

This fact sheet focuses on owls and their characteristics. Owls are unique creatures. Our fact sheets are also considered to be doodle sheets since they are perfectly paired with a video or lecture. This fact sheet allows students to take notes on the back and hang on to the main features describing owls on the front.
