Star Wars Valentine Cards

This set of 7 Star Wars Valentine Cards were created for fun. There was no set design theme or specific graphics used. Clipart Library supplied our graphics. With the help of my family, we had fun making these for an upcoming Valentine's Day party with friends. These printable Star Wars Valentines are meant to be printed 4 or 6 to a page on cardstock. You can pick and choose the ones you want to print. Once printed, cut them out equally. We adhered an array of candies, heart pencils, and glow-in-the-dark bracelets to our Valentines.

Have fun and Happy Valentine's Day!
