What are you thankful for?

HAPPY  
THANKSGIVING

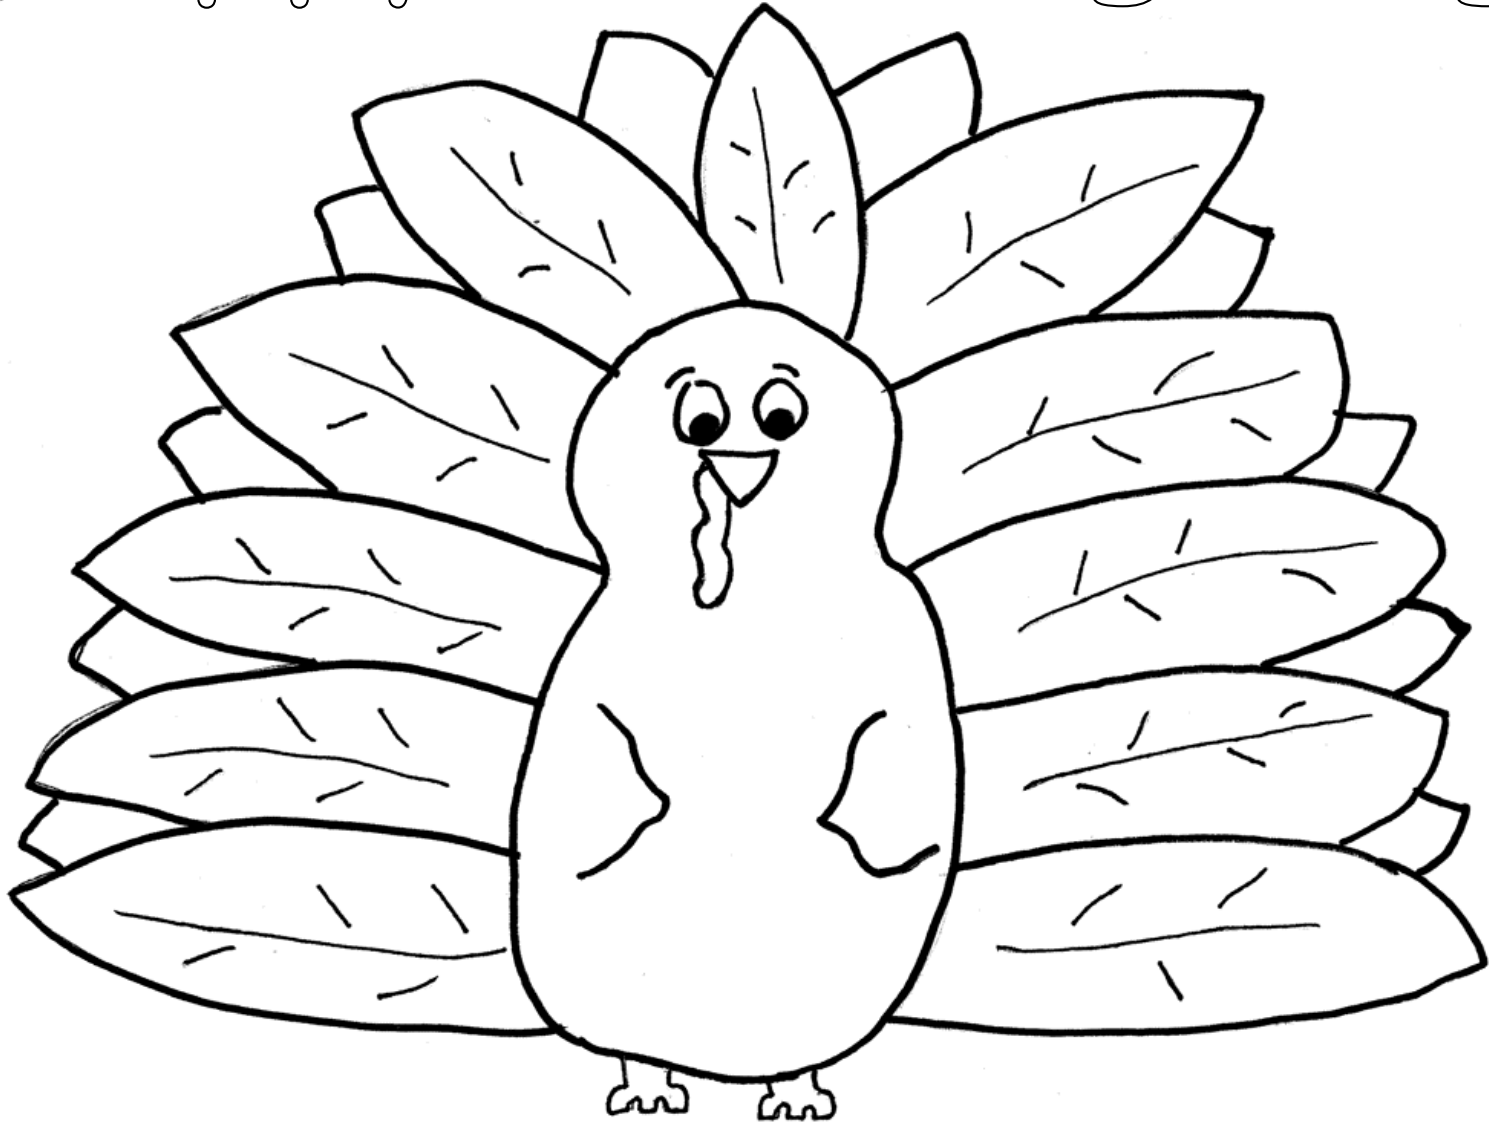

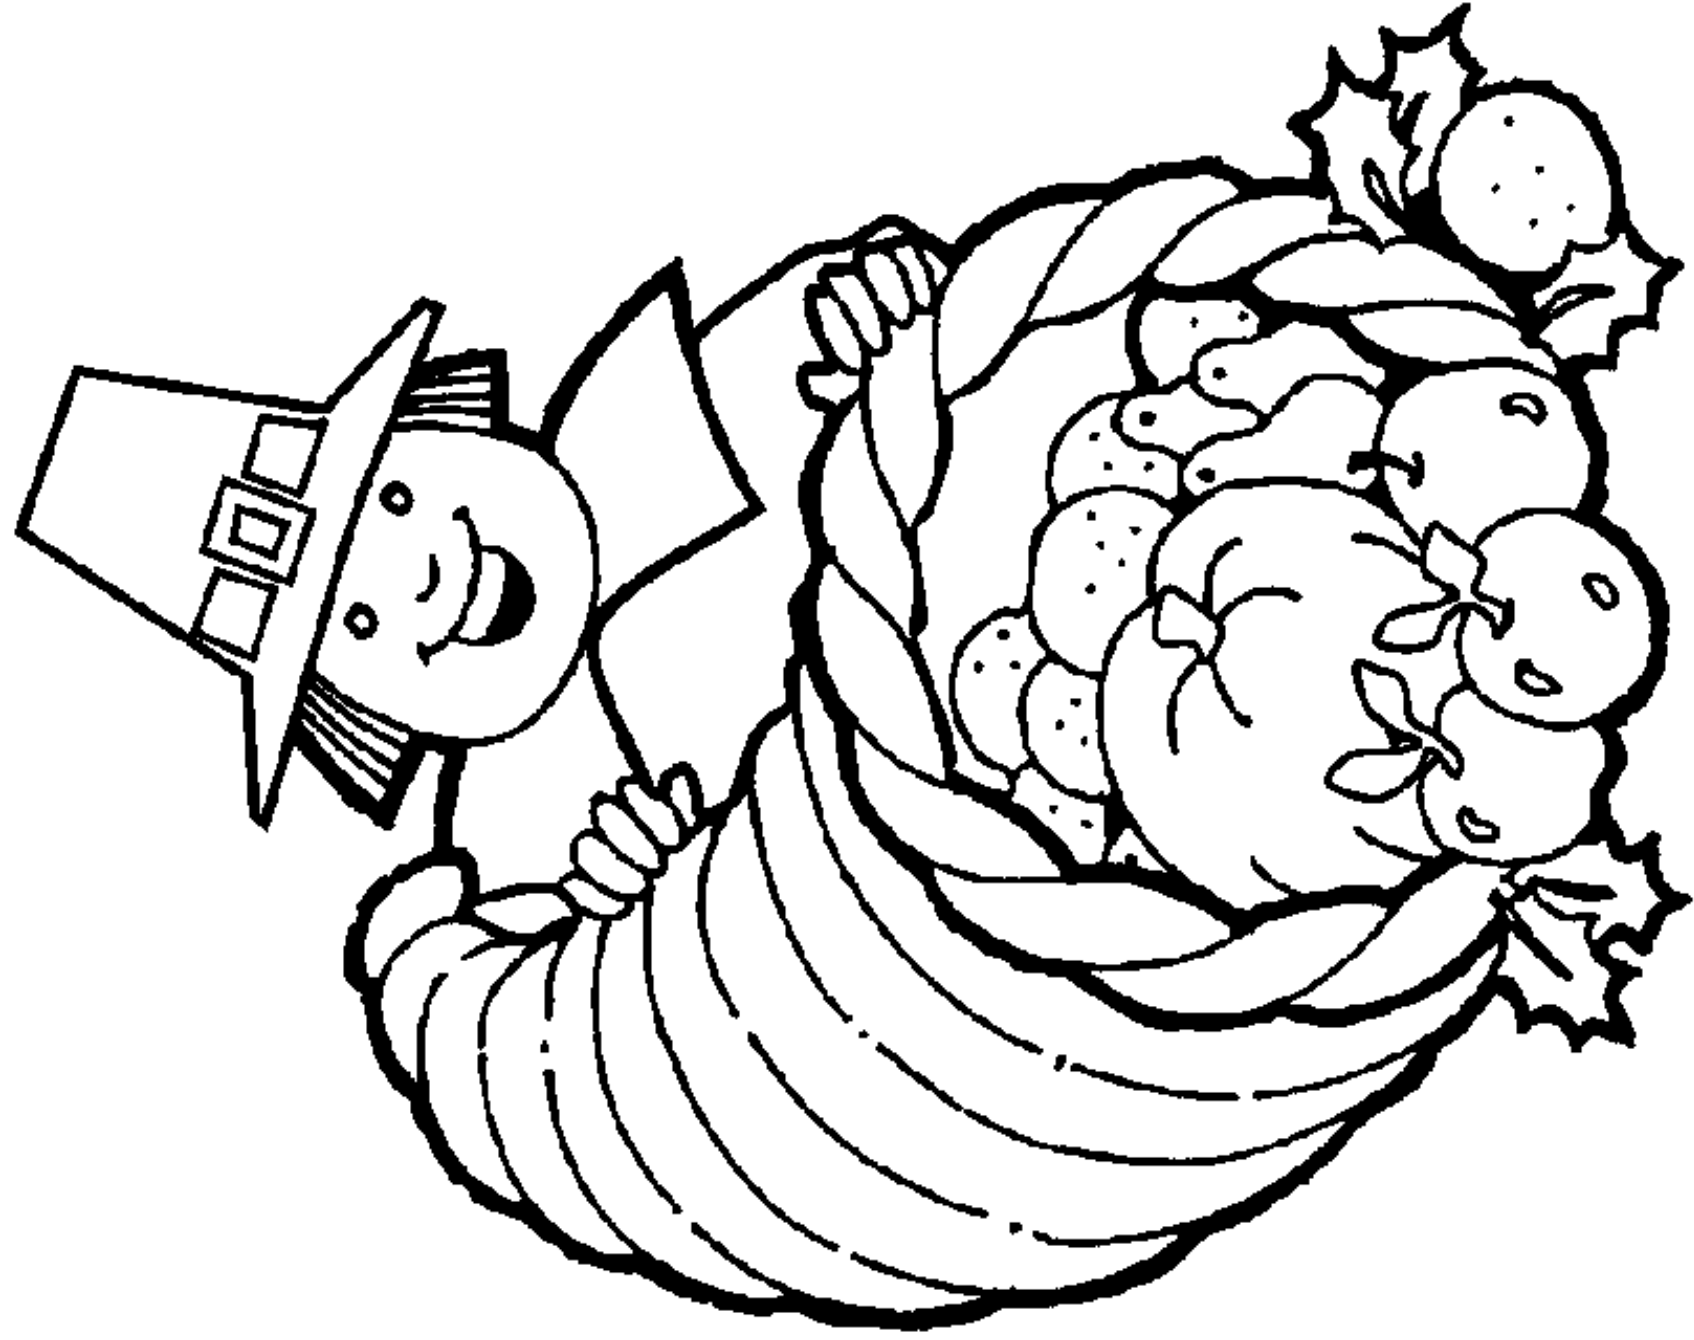

The first Thanksgiving was really a celebration of having a plentiful harvest. The Pilgrims and Wampanoag tribe ate wild birds, fish, and deer. They also ate a bounty of fruits and vegetables.

A cornucopia is a curved, horn-shaped basket that is overflowing with fruit and vegetables (such as corn, apples, and gourds) that is used as a decoration symbolic of abundance. It is also called the horn of plenty.

I Chronicles 16:34

The first Thanksgiving was really a celebration of having a plentiful harvest. The Pilgrims and Wampanoag tribe ate wild birds, fish, and deer. They also ate a bounty of fruits and vegetables.

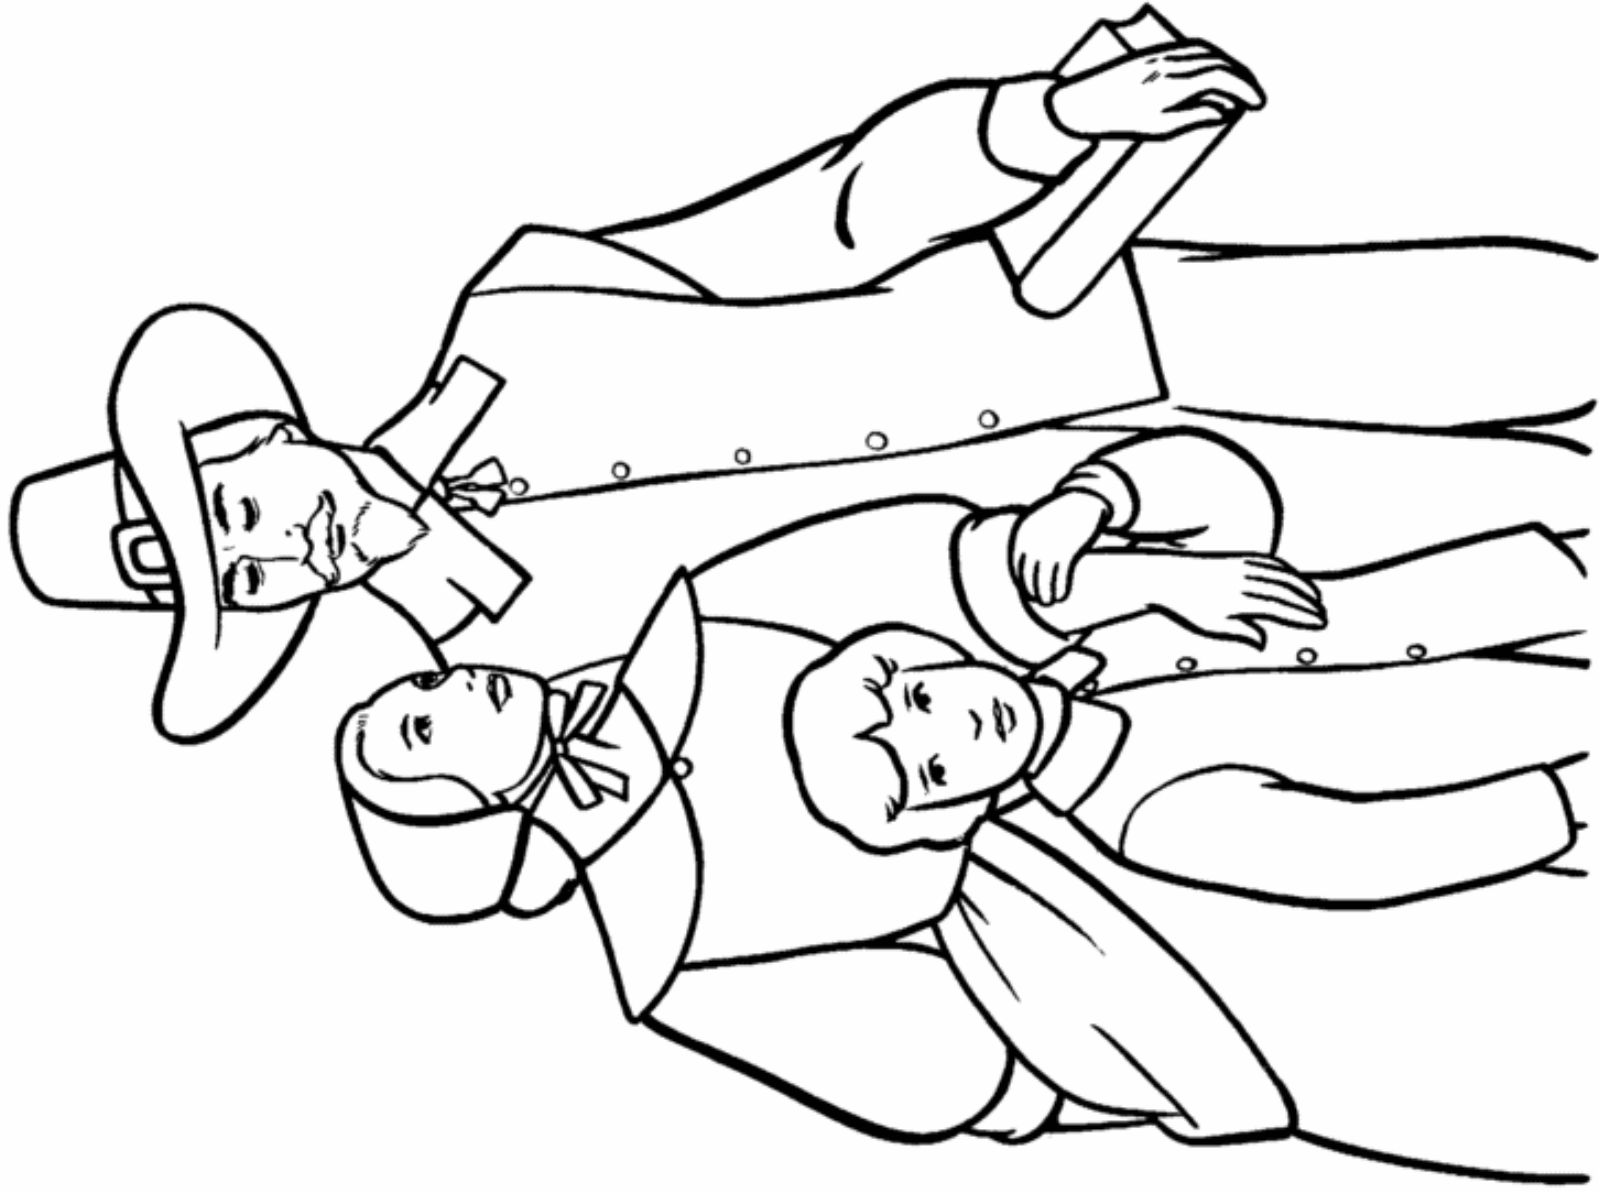

They set aside a day in autumn to give thanks to God for their harvest.

They called it "Thanksgiving Day."

In 1620, the Pilgrims sailed to the New World on the ship *Mayflower*.

The boys helped the men pull the corn off the stalks.

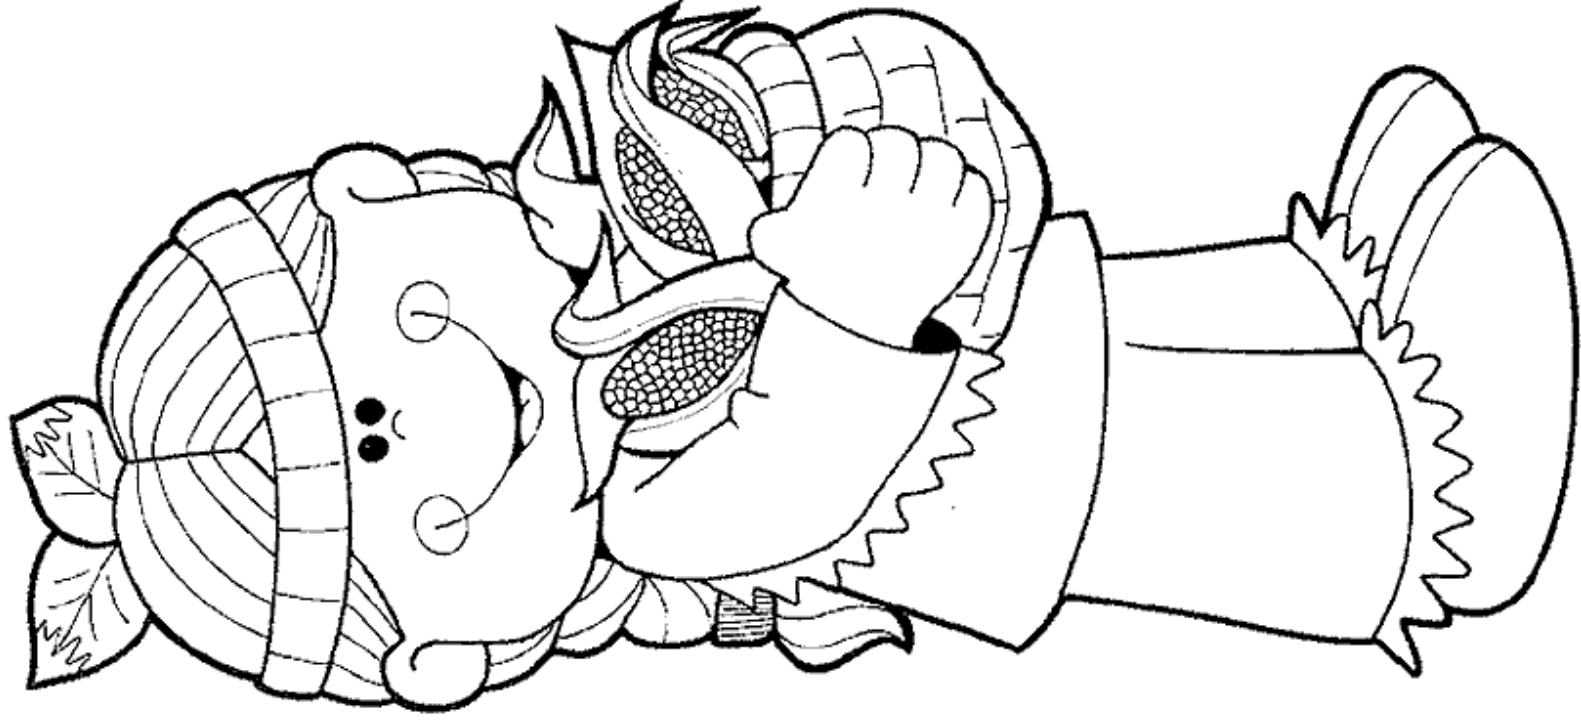

The people prayed for their many blessings.
