WHAT IS EARTH DAY?

“God took the man and settled him in the garden of Eden to cultivate it and to take care of it.”

Genesis 2:15

God created Earth. It is a very special place. It is our home.

Earth Day is celebrated every year on April 22nd.

On Earth Day, we remind ourselves of ways that we can take care of our planet.

You can help take care of
Earth by planting trees.

You can help take care of Earth by picking up trash.

You can help take care of Earth by donating items.

You can help take care of
Earth by recycling.

Can you think of more ways that you can help take care of Earth?
