## FOR THE TEACHER...

Our Famous Black Americans Draw & Write sheets are a perfect avenue for those of you wanting to marry writing and history. Pair these writing sheets with an educational video and history reader, and you have an elementary social studies lesson ready to go.

In the **draw section**, encourage your student to draw something that represents what the historical figure is known for.

In the **writing section**, ask your student to write about their picture explaining what it is the historical figure did. This is a great time to reiterate what the famous figure was known for.

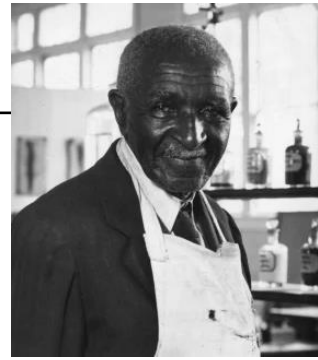

Remind your students to use capital letters and punctuation. The idea of the Draw & Write sheets is to recall the science information so that they can write it. This encourages comprehension and writing of sentences.

I pray that you can use these simple yet effective writing sheets to grow your classroom in mind and spirit. May God bless you and your efforts.

Sincerely,

Marie
